Re: LBW Homeowners' Foundation of Coral Gables, Inc  
Our File No.: 08L-190  
Properties: Lots 21, 22, and 3, Block 2-A and Lot 21, Block 3-A MacFarlane  
Homestead Subdivision

Dear Ms. Lubin:

Our office is representing LBW Homeowners Foundation of Coral Gables in its project to construct four (4) affordable houses on the referenced properties. Toward this end, we have researched the City's records and have determined that two of the four referenced properties had previously been improved with single family homes and as such are building sites. The other two have always been vacant and we would have to go through the building site determination process.

On behalf of LBW Homeowners' Foundation, we respectfully request that the City waive the building site determination fees (application fees, notice fees and postage) for these two lots.

Thank you for your consideration.

Sincerely,

RUSSO & BAKER, P.A.
