It is the intent of this article to prevent potential vendors, bidders, offerors or service providers from communicating with city department heads, their staff or selection and evaluation committee members during the period of time in which the cone of silence is imposed. It is further the intent of this ordinance that commissioners communicate with only the city manager or city attorney during the time the cone of silence is imposed, unless the provisions of this section are waived by the city commission on a particular request for proposals ("RFP"), request for qualifications ("RFQ"), invitations for bids ("IFB").
- (b) Cone of Silence is defined to mean a prohibition on:

  - (2) Any communication regarding a particular request for proposals ("RFP"), request for qualifications ("RFQ"), invitation for bids ("IFB") or any other advertised solicitation between the city commissioners and city department heads, their staff, selection committee or evaluation committee members.
- (c) *Applicability:*
  - (1) The cone of silence shall be applicable only to contracts for the provision of supplies, services and construction for amounts greater than \$25,000.00.
  - (2) The cone of silence shall not apply to informal bids as defined in the procurement code; emergency purchases of supplies, services or construction; any communications with the city attorney; duly noticed pre-bid or pre-proposal conferences; duly noticed site visits; inquiries to the city manager or assistant city managers to determine responsibility or responsiveness of bidders/offerors regarding a particular solicitation, or with regard to the process; written communications with the chief procurement officer or staff responsible for administering the procurement process for a particular solicitation, provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation; sole source procurements; bid waivers; oral presentations during duly noticed meetings; competitive negotiations; public presentations made to the city commission during any duly noticed public meeting; contract negotiations and electronic commerce.
- (d) The cone of silence shall not apply to communications between a city commissioner, the city manager, assistant city managers, the city clerk, and the city attorney.
- (e) The cone of silence shall not apply to communications between a city commissioner, the city manager, assistant city managers, the city clerk, the city attorney, and potential offerors, vendors, service providers, lobbyists, or consultants.
- (f) After the selection committee has submitted its written recommendations to the city manager, the city manager or assistant city manager may communicate with the chairperson of the committee on any and all matters relating to the recommendations. Should any change occur in the committee recommendation as a result of such communication, the content of the communication and of the corresponding change shall be described in writing and filed by the city manager with the city clerk, and be included in any recommendation submitted by the city manager to the city commission.
- (g) *Procedure*
  - (1) *Imposition:* A cone of silence shall be imposed upon each request for proposals ("RFP"), request for qualifications ("RFQ"), invitation for bids ("IFB") and any other solicitation when advertised. At the time of imposition of the cone of silence, the city manager, or designee shall provide for public notice of the cone of silence and shall advise the affected department (s) in writing. Any public solicitation for supplies, services, or construction shall include a statement disclosing the requirements of this article.

(2) *Termination:* Except as otherwise provided herein, the cone of silence shall terminate at the time of the city manager's approval of the award, or the city manager's written recommendation to the city commission, as may be applicable, is received by the city clerk, or at such time that bids or proposals are rejected by the city commission or the city manager; provided, however, that if the commission refers the city manager's recommendation back to the city manager or staff for further review, the cone of silence shall be re-imposed until such time as the city manager's subsequent written recommendation is received by the city clerk.

(h) *Penalties:* Violation of the cone of silence by a particular bidder or offeror shall render any award to said person voidable by the city commission. In addition to any other penalty provided by law, violation of any provision of this article by a city employee shall subject said employee to disciplinary action up to and including dismissal. Any person who violates a provision of this ordinance shall be prohibited from serving on a city competitive selection or evaluation committee unless such appointment is approved by a four-fifths vote of the city commission. No advisory personnel, autonomous personnel, candidate, commissioner, departmental personnel, employees, or quasijudicial personnel shall acquire a financial interest in a project, business entity or property at a time when the person believes or has reason to believe that the financial interest may be directly affected by official actions or by official actions by the city or city agency of which the person is an official, officer or employee.

## **Sec. 2-235. Recommending professional services**

No advisory personnel, autonomous personnel, candidate, commissioner, departmental personnel, employees, or quasijudicial personnel may recommend the services of any lawyer or law firm, architect or architectural firm, public relations firm, or any other person or firm, professional or otherwise, to assist in any transaction involving the city or any of its agencies, provided that a recommendation may properly be made when required to be made by the duties of office and in advance at a public meeting attended by other city officials, officers or employees.

## **Sec. 2-236. Continuing application after city service**

- (a) No commissioner, departmental personnel or employees shall, for a period of two years after his city service or employment has ceased, lobby any city official (meaning advisory personnel, autonomous personnel, commissioner, departmental personnel, employees, or quasijudicial personnel), in connection with any judicial or other proceeding, application, RFP, RFQ, bid, request for ruling or other determination, contract, claim, controversy, charge, accusation, arrest or other particular subject matter in which the city or one of its agencies is a party or has any interest whatever, whether direct or indirect. Nothing contained in this subsection shall prohibit any individual from submitting a routine administrative request or application to a city department or agency during the two-year period after their service has ceased.
- (b) The provisions of subsection (a) of this section shall not apply to persons who become employed by governmental entities, 501(c)(3) nonprofit entities, educational institutions or entities, and who lobby on behalf of those entities in their official capacities.

The city attorney shall then render an advisory nonbinding opinion to such person and shall publish these opinions without use of the name of the person advised unless the person permits the use of a name. Binding opinions may be sought from the county ethics commission.

## **Sec. 2-238. Proceedings by the county commission on ethics and the state commission on ethics**

Upon the request by the city, the county commission on ethics and the state commission on ethics may abate proceedings on any complaint, which is filed by the same complainant against the same respondent, and involving substantially identical facts, until the city completes its proceedings on the complaint. The ethics commission may also refer complaints to the city for review of any violation filed with the ethics commission. The city shall promptly notify the county commission on ethics and the state commission on ethics when it learns that a substantially identical compliant has been filed with either of those agencies and request that their proceedings be abated until the conclusion of the city's proceedings.

## **Sec. 2-239. Penalties and personnel action**

The city manager may take personnel action and may enter into stipulations and settlements as are just and in the best interest of the citizens of the city. The term "principal" shall encompass all individuals who meet the provisions of the term "controlling financial interest." The date of the contribution shall be the earlier of either the date of the contribution check or the date of deposit of said check in the campaign fund. The disclosure form shall require, at a minimum, the name, and address of the individual making the contribution, the name of the company which has a contract with the city, and the amount of the contribution, as well as the name of the candidate or campaign committee to whom the contribution was made.

(b) A fine of \$500.00 shall be imposed on every person that violates this prohibition, and fails to correct such violation within 20 calendar days of notification by the city clerk. Each act of soliciting, giving or receiving a contribution in violation of this subsection shall constitute a separate violation. All contributions received by a candidate in violation of this section shall be forfeited to the city's general revenue fund.

#### **Sec. 2-241. Procedure on complaint of violation**

Within five days after receipt, the city manager shall send a copy of a complaint to the alleged violator. The city attorney shall make the determination of legal sufficiency within 20 days. If the complaint is determined to be legally insufficient, the city attorney shall state the reasons for the finding in writing and report the determination to the complainant, the alleged violator, or respondent, and the city commission.

(b) *Complaints against mayor, commissioner or city officials.* A complaint against a commission member, city manager, assistant city manager, city clerk, city attorney and their immediate family shall be referred to the commission on ethics and public trust.

(c) *Prospective jurisdiction.* Any alleged violation committed before the effective date of the ordinance from which this article is derived, shall be governed by the applicable city, county, and state code of ethics ordinances, conflict of interest ordinances or lobbyist registration and reporting ordinances in effect at the time of the alleged violations.

(d) *Personnel proceeding.* Where an employee of the city is alleged to have violated a law within the purview of this article, and based upon the same set of facts, is subject to an ongoing disciplinary action initiated by the city, the city attorney and city manager shall stay consideration of a complaint until the conclusion of the personnel proceeding.

(e) *Statute of limitations.* No action may be taken on a complaint filed more than one year after the violation is alleged to have accrued.

(f) *Termination of proceeding.* A proceeding on a complaint shall terminate in the event the respondent dies in office, leaves office for any reason or is permanently separated from employment with the city, or enters into a settlement agreement with the city manager.

(g) *Appeal and judicial review.* An aggrieved respondent may appeal an adverse finding of a violation to the city commission. Review by the city commission shall be on the record and limited to determining whether the:

- (1) Respondent was afforded procedural due process;
- (2) Findings of fact are supported by substantial competent evidence; and
- (3) Conclusions are correct as a matter of law. An aggrieved respondent must first exhaust its right to an appeal to the city commission before seeking review by the circuit court for the county. Review by the circuit court shall be pursuant to the Florida Rules of Appellate Procedure.
