2. A list of the board's major accomplishments. *Promoted library services and aesthetics of buildings and grounds through obtaining publicity for library events, by participating in Library Appreciation Month, by continuing research and documentation of library history, by continuing review of Butterfly Garden, the fountains, and library grounds. Began process to obtain a 'Historical' designation for the library building. Recommended acceptance of a butterfly sculpture donated by the Coral Gables Garden Club. Opposed the closing of Riviera Drive between Segovia Street and University Drive as a solution to creating additional parking and to parking on Segovia Street. Requested that a search for additional parking around the library building be made by the City of Coral Gables and that the Public Works' plan be developed such that it is well balanced between parking and green space. Worked with Miami-Dade Public Library System staff to organize and host the Pancoast Family Celebrating Legacy Art Show and Opening Event, by securing the artwork displayed, obtaining donations of refreshments and music for the opening night event, arranging for the after school children at the Youth Center to create a tile mural to be displayed and informing media of the event for coverage. Arranged the donation of the tile mural used in the Pancoast Family Celebrating Legacy Art Show to the Coral Gables Museum.*
