# CONGRATULATIONS TO THE CITY OF CORAL GABLES CITY ATTORNEYS' OFFICE

The Florida Bar has 311 members board certified in City, and Local Government Law.

To be certified a lawyer must be a member in good standing of the Florida Bar, must have practiced law for at least five years, and must have had substantial involvement in the practice of city, county and local government law during the preceding three years.

Each board certified layer must pass peer review, a comprehensive written examination, and complete 60 hours of continuing legal education in the three years prior to application for certification.

We have the pleasure of working with 5 of the 311 Board Certified by the Florida Bar in City, County, and Local Government Law.
