**DEPARTMENT HEAD RECOMMENDATION:**

Approval.

**BRIEF HISTORY:**

The Florida Department of Health is authorized by Chapter 401, Part II, Florida Statutes to provide grants to Boards of County Commissioners for the purpose of improving and expanding pre-hospital emergency medical services. Grants are awarded only to Boards of County Commissioners, but may subsequently be distributed to municipalities and other agencies or organizations involved in the provision of EMS pre-hospital care.

Miami-Dade County is responsible for the application and distribution process of the State EMS County Grant. The distribution of grant funds to each participating department is based on the percentage of combined total EMS calls for the calendar year prior to the new grant's fiscal year. The application for the FY 2026-2027 EMS County Grant # C1013 was approved by the Miami-Dade County Board of County Commissioners and the Florida Department of Health-Bureau of EMS. The grant in the amount of three thousand and forty-three dollars and forty-five cents (\$627.31) has been approved for the City of Coral Gables' 2026-2027 work plan projects. The allocation will be allowed to purchase Emergency Medical Services Equipment, Materials, Supplies & Services, Conferences, Seminars & Training Sessions and will be included in the City's FY 2026-2027 Annual Budget.

In order to qualify for the grant, the City of Coral Gables must approve a Letter of Understanding / Agreement which provides the basis for the disbursement and reporting responsibilities.
