

**City of Coral Gables
CITY COMMISSION MEETING
January 27, 2009**

ITEM TITLE:

Landscape Beautification Advisory Board meeting of January 8, 2009

SUMMATION OF MINUTES:

Chairman, Maricris Longo opened the meeting at 9:23 a.m. and the roll was taken. Donna Box noted that her attendance at the Dec. 4, 2008 meeting was not noted on the minutes. She also requested that Fred B. Hartnett Ponce Circle Park be referred to by its proper name in future minutes. A motion was made to "Approve the minutes from the December 4, 2008, meeting as amended." The motion was seconded, voted upon and adopted unanimously.

BOARD-AS-A-WHOLE APPOINTMENT: Linda Lawrence attempted to contact Larry Schokman, but he was unavailable. Maricris Longo spoke with Stanley Matz, a landscape designer and felt he would be a good candidate. Robert Parsley stated that he felt the board needed a degreed professional and suggested Bruce Brockhouse. The board will meet again Jan.12, 2009 to finalize the decision.

DOWNTOWN STREETSCAPE MASTER PLAN: Dan Keys brought the landscape plan for 1505 Ponce de Leon Blvd. There was a stipulation in an ordinance related to this project that required approval of this specific plan by the board. After discussion Robert Parsley made a motion to "Recommend that the landscape plan for the right-of-way of the Paladin development as shown with the caveat that the variegated liriopis is repeated on the two beds on the north entrance and that the north and south entrances be accented further with large scale bromeliads such as blanchetiana." The motion was seconded by Linda Lawrence, voted upon and adopted with a unanimous vote. There is a possibility that the Commission approval for this project has expired. In that event, this approval would have no affect.

WEBSITE IMPROVEMENTS: No new activity.

GREENING OF THE GABLES: Dan Keys reported that the trees donated to the Merrick Educational Center have been planted. There are no new projects at this time.

SPANISH VILLAGE: No new business.

FRED B. HARTNETT/PONCE CIRCLE PARK: No new business.

MIRACLE MILE/GIRALDA STREETSCAPE: Dan Keys noted that the BID will be returning to the City Commission with an estimate on the project cost at next Tuesday's meeting.

TRAFFIC CIRCLES: Dan Keys brought a general location map of traffic calming devices throughout the City, furnished by Public Works. Board members looked the map over and discussed it briefly.

Dan Keys presented a photo of the roundabout at S. Alhambra Circle and Pallazzo Street asking for the board's opinion of the proposed landscaping that would include one Phoenix palm with basic shrubbery

around it. Robert Parsley recommended that a Phoenix Sylvestris palm be used for this roundabout. The landscape plan was approved in general by the board.

Dan Keys presented a landscape plan for the roundabout at Coral Way and Segovia St. which includes 8 Royal Palms and a bed of red plants. Following discussion, Linda Lawrence motioned that "The Landscape Beautification Advisory Board does not agree with the design proposed for the Coral Way and Segovia Street roundabout because there are issues with the power lines, and that at least one more comprehensive design should be developed that will consider the power lines and oval nature of the area." The motion was seconded by Barbara Katzen, voted upon and adopted with a unanimous vote.

Dan Keys advised the board that there is a proposal in process for the NW corner of Miracle Mile and LeJeune Road that includes the use of some of the City's grass area for outdoor seating.

BOARD ITEM/CITY COMMISSION UPDATE: No new items.

CITY PROJECTS UPDATE: Dan Keys reported that there is a proposal for a traffic circle at San Amaro Drive and Miller Road. There will be a new entrance to the University of Miami at that location.

BEAUTIFICATION AWARDS: Board members extended the deadline for Beautification Awards nominations to January 16, 2009.
