We are pleased to inform you the Florida Preservation Awards submission, Coral Gables Merrick House, has been selected to receive an award for recognition in the Preservation Education/Media category. Thank you for your work to protect Florida's extraordinary history and heritage.

First, please be aware this information is not to be shared publicly prior to the awards ceremony on July 30. After the Awards Ceremony the Florida Trust will issue a statewide press release to publicize award recipients in relation to the Awards Ceremony. After that time individual promotion of awards is acceptable. We will also promote the award winners in the next issue of The Florida Preservationist. You may wish to further promote your brand, project or team members as well. Therefore, we have included our media kit for your review.

We invite you and the team associated with this project to join the Florida Trust at the Preservation on Main Street Conference, July 29-31, 2020. Conference registration information is available at [preservationonmainstreet.com](http://preservationonmainstreet.com). The Awards Ceremony is included with a conference registration [preservationonmainstreet.com](http://preservationonmainstreet.com).

Please take a moment to complete the attached form indicating the names to be printed on individual awards for this project, and to where the award should be mailed. Email your completed form to Tondra Matthews, [tmatthews@floridatrust.org](mailto:tmatthews@floridatrust.org) by **Wednesday, July 23**.

Congratulations on this achievement and thank you for your support of the Florida Trust for Historic Preservation's Awards program.

Sincerely,
