Sanctuary of the Arts | 501(c)3 Non-Profit Organization

410 Andalusia Ave. Coral Gables, FL 33134

www.sanctuaryofthearts.org

WELCOME!

Sanctuary of the Arts is an innovative artist-led institution whose mission is to produce and/or present high-quality performances and events, especially those which promote workforce development and sustainable careers in the arts.

We present world class entertainment to South Florida communities from both national and international artist.

We provide local and regional arts organizations with an affordable space to present their programs and develop strategies to increase audiences.

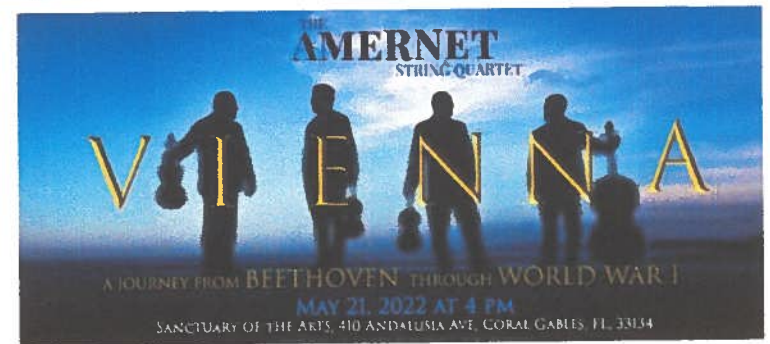

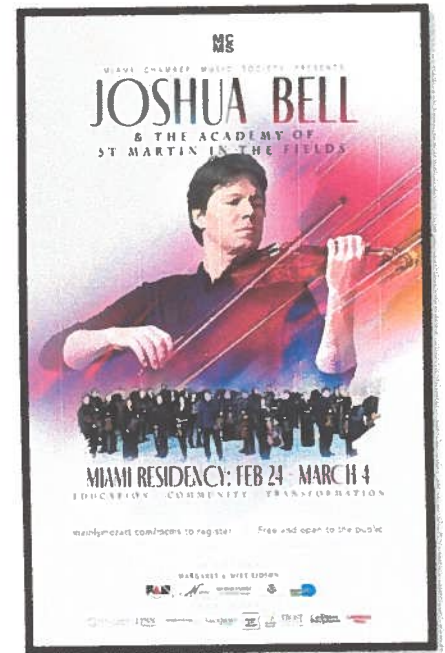

We encourage, nourish, and present the next generation of young artists with opportunities to present their works, and develop their artistry.

Historic preservation is paramount to Sanctuary of the Arts. Our Arts Campus is one-of-a-kind in the nation. Operating within two historically designated properties, we offer two professional size studios, a 314-seat theater, teaching and mentoring classrooms, and offices. The spaces are Wi-Fi equipped for virtual conferencing and teaching, and some are equipped for High-Definition Audio and Video Recording.

Sanctuary of the Arts is a not-for-profit 501(c)3 that operates as an umbrella organization, working in collaboration with Music, Dance, Theatre, and Visual Arts organizations and artists in myriad forms of events, performances, and activities both national and international. Sanctuary of the Arts offers a host of mentoring and training programs for career-minded youth, seeking admission to specialized Art Schools.

PROGRAMS

Since our official launch in April of 2022, Sanctuary of the Arts has succeeded in presenting and/or producing over 30 events with an audience reach of over 8,500 audience members in just under 8 months in both Miami-Dade and Broward Counties, as well as internationally in Brazil, Paraguay, Chile, Argentina, and Colombia through its working partnership with the Inter-American Choreographic Institute.

ST. MARY'S

St. Mary's First Missionary Baptist Church is the first and oldest Black church in Coral Gables. Preservation and re-engagement into the community are core principles of SOA. St. Mary's activities will include arts education, community outreach, access to cultural programming, and mentoring and training programs.

DISCOVER
