

Date: 2/19/17

Dear City of Coral Gables Mayor Cason, Vice Mayor Quesada and Commissioners Keon, Lago, and Slesnick,

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct park impact fees derived from future development within 1,000 feet on either side of the future Underline to construction of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

We are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting communities and people within the 1/3<sup>rd</sup> mile impact zoned.

**We strongly encourage you to support this resolution in support of The Underline.**

Dear City of Coral Gables Mayor Cason, Vice Mayor Quesada and Commissioners Keon, Lago, and Slesnick ,

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct park impact fees derived from future development within 1,000 feet on either side of the future Underline to construction of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

We are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting communities and people within the 1/3<sup>rd</sup> mile impact zoned.

**We strongly encourage you to support this resolution in support of The Underline.**

## Support of the Underline

12/3/17

Dear City of Coral Gables Mayor & Commissioners,

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct impact fees derived from future development within 1,000 feet on either side of the future Underline to construction and maintenance of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

We are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting and serving the communities, businesses, schools, residents and visitors within the 1/3-mile impact zone and the entire city.

We strongly encourage you to support this resolution in support of The Underline.

City Clerk

Date: 11/5/17

Dear City of Coral Gables Mayor, Vice Mayor and Commissioners

I strongly support the City of Coral Gables "Gables Greenways" project that seeks to implement the most important bikeways identified in the City of Coral Gables Bicycle and Pedestrian Plan.

The goal is to create the backbone of a low traffic-stress bicycle network. Low traffic-stress bicycle facilities are routes that minimize the bicyclists' exposure to moving automobiles, and create a route which is attractive and comfortable for people of all ages and abilities. This can be achieved by increasing the separation between bicycle and motorized vehicle traffic, whether through landscaped buffers, swales, or planters.

**Please support the Gables Greenways initiative that will improve mobility and transportation in Coral Gables and neighboring communities.**

Dear City of Coral Gables Mayor, Vice Mayor and Commissioners

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct City of Coral Gables park impact fees derived from future building and development near the future Underline to construction of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

We are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting communities and people within the 1/3<sup>rd</sup> mile impact zone.

**We strongly encourage you to support this resolution in support of The Underline.**

February 23, 2017

Dear City of Coral Gables Mayor Cason, Vice Mayor Quesada and Commissioners Keon, Lago, and Slesnick,

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct park impact fees derived from future development within 1,000 feet on either side of the future Underline to construction of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

As the primary author of the City of Coral Gables Bicycle Plan, and an architect with a national practice, I can tell you that The Underline is one of the most important transportation and open space projects in the country.

I enthusiastically support Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting communities and people within the 1/3<sup>rd</sup> mile impact zoned.

**I strongly encourage you to support this resolution in support of The Underline!**

Dear City of Coral Gables Mayor & Commissioners,

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct impact fees derived from future development within 1,000 feet on either side of the future Underline to construction and maintenance of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

We are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting and serving the communities, businesses, schools, residents and visitors within the 1/3<sup>rd</sup> mile impact zone and the entire city.

**We strongly encourage you to support this resolution in support of The Underline.**

Dear City of Coral Gables Mayor Cason, Vice Mayor Quesada and Commissioners Keon, Lago, and Slesnick,

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct park impact fees derived from future development within 1,000 feet on either side of the future Underline to construction of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

We are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting communities and people within the 1/3<sup>rd</sup> mile impact zoned.

**We strongly encourage you to support this resolution in support of The Underline.**

City Clerk

Date: 11/5/17

Dear City of Coral Gables Mayor, Vice Mayor and Commissioners

I strongly support the City of Coral Gables "Gables Greenways" project that seeks to implement the most important bikeways identified in the City of Coral Gables Bicycle and Pedestrian Plan.

The goal is to create the backbone of a low traffic-stress bicycle network. Low traffic-stress bicycle facilities are routes that minimize the bicyclists' exposure to moving automobiles, and create a route which is attractive and comfortable for people of all ages and abilities. This can be achieved by increasing the separation between bicycle and motorized vehicle traffic, whether through landscaped buffers, swales, or planters.

**Please support the Gables Greenways initiative that will improve mobility and transportation in Coral Gables and neighboring communities.**

Dear City of Coral Gables Mayor Cason, Vice Mayor Quesada and Commissioners Keon, Lago, and Slesnick,

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct park impact fees derived from future development within 1,000 feet on either side of the future Underline to construction of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

We are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting communities and people within the 1/3rd mile impact zoned.

**We strongly encourage you to support this resolution in support of The Underline.**

Dear City of Coral Gables Mayor, Vice Mayor and Commissioners

I strongly support the City of Coral Gables "Gables Greenways" project that seeks to implement the most important bikeways identified in the City of Coral Gables Bicycle and Pedestrian Plan.

The goal is to create the backbone of a low traffic-stress bicycle network. Low traffic-stress bicycle facilities are routes that minimize the bicyclists' exposure to moving automobiles, and create a route which is attractive and comfortable for people of all ages and abilities. This can be achieved by increasing the separation between bicycle and motorized vehicle traffic, whether through landscaped buffers, swales, or planters.

**Please support the Gables Greenways initiative that will improve mobility and transportation in Coral Gables and neighboring communities.**

November 29, 2017

The City of Coral Gables  
405 Biltmore Way  
Coral Gables, FL 33134

Dear City of Coral Gables Mayor & Commissioners:

As an organization that is committed to improving the health and wellbeing of our community, Baptist Health South Florida strongly supports The Underline project.

The Underline has the potential to improve health in our city and region by promoting active lifestyles and providing a safe path for walking and biking.

We strongly support the resolution to direct impact fees derived from future development within 1,000 feet on either side of the future Underline to construction and maintenance of the important three-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

This measure will help ensure The Underline's long-term viability in Coral Gables and allow residents and visitors—including Baptist Health employees, patients and their families—to enjoy the beauty of our city, while being active, for many years to come.

We applaud the City of Coral Gables' commitment to adding park space and improving activity and mobility in the city and hope that you will support this resolution.

Sincerely,

Joe Natoli

Dear City of Coral Gables Mayor, Vice Mayor & Commissioners:

Our Coral Gables Chamber of Commerce has long been a champion for local business community and quality of life initiatives that enhance our City Beautiful. Rarely do these two priorities included in our mission statement intersect when it comes to a project. However, The Underline is one of those special moments in our City's history where they not only align; they complement one another and ensure an even brighter future.

After discussion at our Chamber's Executive Committee and Board of Directors, we wish to offer our Chamber's support of Commissioner Vince Lago's resolution to direct park impact fees derived from future development within 1,000 feet on either side of The Underline.

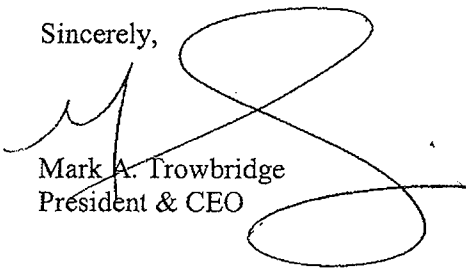

These dollars will support construction and maintenance of the critical three-mile stretch of The Underline that extends from border to border in the City of Coral Gables, from Douglas Road at the North to Red Road in the South.

As a business development organization and community non-profit, we are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area that runs parallel to US1. This span serves a dynamic corridor of businesses, as well as the University of Miami and residential communities.

The future Underline will add to bicycle and pedestrian safety, creating a true active mobility option highlighting transit - while supporting the future of our City with 30 acres of new open space. This community-wide commitment to new park space balances planned future growth, while respecting and serving the local businesses, schools, residents and visitors within the one-third mile impact zone, as well as surrounding neighborhoods.

We heartily encourage your support of this resolution in support of The Underline.

Sincerely,

Dear City of Coral Gables Mayor & Commissioners,

I strongly support City of Coral Gables Commissioner Vince Lago's resolution to direct impact fees derived from future development within 1,000 feet on either side of the future Underline to construction and maintenance of the important 3-mile stretch of The Underline in the City of Coral Gables from Douglas Road to Red Road.

We are thankful for the City of Coral Gables' commitment to adding more park space in a highly trafficked area alongside US1, improving bicycle and pedestrian safety, creating a true active mobility option highlighting transit while supporting the future of our city with 30 acres of new open space that balances our community's future growth while respecting and serving the communities, businesses, schools, residents and visitors within the 1/3<sup>rd</sup> mile impact zone and the entire city.

**We strongly encourage you to support this resolution in support of The Underline.**
