Mr B. Urquia, City Clerk

Ref item G-11. 21-2746 Leaf Blowers

August 24 Commission Meeting

I strongly support Coral Gables initiating rules to control and limit use of leaf blowers in residential neighborhoods. Use should be restricted to 8-5 weekdays and under a low sound or decibel limit.

Leaves and yard trash should not be blown onto streets or neighbor-yards. Similarly what happened to efforts to have all lawn maintenance firms registered and with bold tags showing same on their vehicles.

I favor neat landscaping but loud unruly leaf blowers prevent one enjoying residential living. Thanks James Berlin, 737 Tibidabo Ave.
