Terri,

Below is the email I mentioned that was sent to Mr. Manny Lopez.

Prior to sending this email, I visited the permit counter on 2 occasions to inquire about having my license/company disassociated from the permit. I was told that until the owner selects a new contractor or decides to continue as Owner/Builder, there was no paperwork to be submit. It was my understanding that the owner was to have a meeting with .r. Lopez and resolve this. I then sent the email (and left a voicemail) to Mr. Lopez as mentioned.

Please let me know if there is something I need to do since we are no longer associated with this project.

Thank you! Guillermo Rodriguez

Subject: PERMIT # PAFF-21-11-0010 - 4403 San Amaro Drive - On Hold

Good morning Mr. Lopez,

It is my understanding that Mr. William Holly, owner of 4403 San Amaro Drive, will be meeting with you to review the status of construction under permit PAFF-21-11-0010.

Mr. Holly and I have amicably agreed to him continuing the project without our participation. Therefore, once a new contractor or owner/builder application has been submitted please send us some notification. If you have any questions feel free to contact me.

Sincerely, Guillermo Rodriguez
