ITEM TITLE:

Resolution.

A Resolution of the City Commission of the City of Coral Gables, Florida setting forth a policy that the Sponsor of a discussion item may determine whether public comment will be allowed on up to three discussion items. (Sponsored by Commissioner Castro)

BRIEF HISTORY:

The City of Coral Gables complies with state and county provisions requiring an opportunity to be heard by providing for an Open Public Comment section on each City Commission agenda and providing for an opportunity to be heard before official action is taken by the City Commission. Public comment is not legally required during discussion items during which no official action will be taken by the City Commission.

The proposed resolution would allow the Sponsor to determine whether public comment will be allowed on up to three discussion items per each regular City Commission meeting. It further provides that except as expressly set forth herein, the Mayor retains all authority granted under the City Charter and the City Code.
