

AGENDA ITEM NO. _____

**City of Coral Gables
CITY COMMISSION MEETING
FEBRUARY 10, 2009**

ITEM TITLE:

A **Resolution** endorsing in part the recommendations of the Streetscape Design Committee of the Business Improvement District (BID) for the conceptual design of proposed Streetscape Improvements on Miracle Mile by supporting the conversion of on-street angle parking to parallel parking, widening of the existing sidewalks, and improvement to walkway connectors to nearby public parking.

CITY MANAGER'S RECOMMENDATION:

That the City Commission approve the Resolution.

BRIEF HISTORY:

The Streetscape Design Committee established by the Business Improvement District (BID), has completed its recommendations for the conceptual design of proposed streetscape improvements for Miracle Mile. The Committee has made a broad range of recommendations which can be found on the BID's website.

Several agencies, boards and recently commissioned studies have gone on record in support of the Committee's recommendations regarding the conversion of angle parking to parallel parking, widening of existing sidewalks and improvements to walkway connectors to nearby public parking. Documentation of said support by agencies, boards and recent studies can be found in the attached Exhibit A.

On January 30, 2009, notification letters were mailed to property owners and merchants with property frontage on Miracle Mile and also to the membership of the BID informing all parties that the City Commission would be considering certain streetscape improvements for Miracle Mile, including the changing of on-street angle parking to parallel parking, widening of existing sidewalks and improvements to walkway connectors to nearby public parking.
