Cost Recovery: In addition to the fees contemplated herein, an administrative fee for the various costs incurred by the City in conferring with professionals and/or consultants to enable the City's review of applications is hereby imposed. Said fee shall be equal to the City's actual costs related to the use of consultants and/or professionals in reviewing the application. These costs shall include, but not be limited to, costs for engineering, traffic, design, legal, and other consultants and/or professionals deemed necessary by the City for the proper and complete review and evaluation of the application.

Applicants shall be required to deposit said fees into an account, to be established by the City, when deemed appropriate by the Development Services Director, Public Works Director, City Attorney, or its Designee. Deposited funds will be utilized for payment of consultant and/or professional fees incurred during application review.

Applicants shall reimburse the city for such costs within five days of the date of receipt of an invoice for such services. Failure by applicants to make such reimbursement when due may stay the pending application until paid.

1. The application fees above do not include additional processing fees such as advertising fees and public hearing notification fees. These are additional fees.
2. Separate applications are subject to each application fee.
3. Requires filing of site plan application and associated fees.
