

CITY OF CORAL GABLES

405 Biltmore Way
Coral Gables, FL 33134
(305) 460-5102

Finance Department / Procurement Division Request for Special Procurements/Bid Waiver (Not to exceed \$100,000 for supplies and services, \$25,000 for construction)

Section 2-691 The City Manager shall be authorized to grant special procurements/bid waivers for supplies and services in the amount not to exceed \$100,000 and on construction contracts not to exceed \$25,000 subject to public notice requirements in accordance with administrative regulations. All other contracts shall be made only when authorized by the city commission upon the written recommendations of the City Manager.

Special Notice: All purchase orders and work orders issued via a bid waiver MUST include the following statement: All work performed for the services outlined in the associated proposal or purchase order must be in compliance with all rules, regulations and laws of the City of Coral Gables, Miami-Dade County, the State of Florida and the Federal Government. Lack of knowledge by the contractor shall in no way be cause for relief from responsibility.

Chief Procurement Officer

PART I:	Department/Vendor Information				
Division/ Department	Chief's Office/Police	Dept. Contact	R. Hoff	Requisition No.	TBD
Suggested Vendor	Sherp USA	Service/Item Description	High Water Rescue Ve	Value	\$ 212, 045.00
PART II: Explanation (Supporting documentation must be attached)					
Special/Bid Waiver Procurement	This vehicle is uniquely suited to meet our specific operational requirements for high water rescues due to its superior abilities to traverse water and navigate challenging terrains.				
	The Police Department has selected this vehicle due to its ability to traverse deep waters and submerged areas, capability to operate effectively in diverse and challenging terrains, reliability and durability under extreme conditions and capacity to transport rescue teams and equipment efficiently.				
	The unique capabilities and superior performance of this vehicle reduce the risk of mission failure and enhance the safety and efficiency of rescue operations. Investing in this vehicle ensures long-term operational success and resilience.				

The form must be routed for approval in the order in which approvers appear below.
