CITY COMMISSION MEETING
July 9, 2024

ITEM TITLE:

Resolution.

A Resolution of the City Commission directing the City Manager to ensure that door hangers providing notice of neighborhood meetings related to Community Recreation initiatives are removed within forty-eight hours following such meetings. (Sponsored by Commissioner Castro)

BRIEF HISTORY:

From time-to-time, the City of Coral Gables Community Recreation Department holds community meetings to provide information to affected neighborhoods regarding the design of new parks, improvements at existing parks, special events at City parks and facilities, and other initiatives related to community recreation. The Community Recreation Department uses door hangers as a means of providing notice to affected neighborhoods of such meetings.

The proposed resolution finds that it is in best interests of the City to have such door hangers removed within forty-eight hours following the neighborhood meeting.
