BRIEF HISTORY:

On June 14, 2016, the City Commission adopted Ordinance No. 2016-34 granting Conditional Use approval with Site Plan for a new club house and fitness building located at the Riviera Country Club, 1155 Blue Road. Also approved was a parking lot with 325 parking spaces and a ten (10) foot wide multi-use path in front of the property along the north side of Blue Road. Included in the condition of approval, Section 2.1(d) of Ordinance No. 2016-34, states that *"Any changes to the plans and drawings referenced above unless specified herein shall require Planning and Zoning Board and City Commission review and final approval in ordinance form."*

Currently, an application has been submitted by Mark Snure on behalf of Riviera Country Club, requesting Site Plan Amendment to the previously approved Country Club. The request is to change the paving material at the main entrance on Blue Road, from concrete pavers to asphalt; change the crosswalks from concrete pavers to thermo-plastic paint; change concrete pavers on the east and west parking lot entrances with Coral Gables beige concrete; eliminate two (2) on-site parking spaces to allow for new FPL switch cabinets; and to change street tree species from ironwood to live oak.
