BRIEF HISTORY:

On May 9, 2023, the City Commission accepted a competitive grant award from the State of Florida Department of Environmental Protection (DEP) for the Sanitary Sewer Coastal Bay Service Area Rehabilitation Water Project in the amount of \$2,000,000 for the repairing and/or replacing of its existing gravity sanitary sewer pipe system in the areas of Cocoplum, Gables Estates, and Gables by the Sea neighborhoods.

Amendments to the agreement have been made for updates to statutory language on several Attachments and Exhibit. The change to the statutory language includes amending the requirements for Rural Communities and Rural Areas of Opportunity, a revised Grant Work Plan to include Contractor's Deliverables and a revised Progress Report Form.
