SCHEDULE "G" CITY OF CORAL GABLES - STATEMENT PURSUANT TO SECTION 287.133 (3) (a), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

1. I understand that a "public entity crime" as define in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any Proposal or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
2. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

3. I understand that an “affiliate” as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:
 1. A predecessor or successor of a person convicted of a public entity crime; or 2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term “affiliate” includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm’s length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
4. I understand that a “person” as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which Proposals or applies to Proposal on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term “person” includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
5. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **[Please indicate which statement below applies.]**

Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list.

[Attach a copy of the final order]

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SCHEDULE "H" CITY OF CORAL GABLES - ACKNOWLEDGEMENT OF ADDENDA

LOBBYING - 31 U.S.C. 1352, as amended

APPENDIX A, 44 CFR PART 18--CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements
(To be submitted with each bid or offer exceeding \$100,000)

The undersigned [Company] certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form--LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions
3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Respondent, Wilson Sanchez / Enco, LLC, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. A 3801, *et seq.*, apply to this certification and disclosure, if any.

SCHEDULE "J" – CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION

Government Debarment & Suspension Instructions

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person(s) to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 C.F.R. Parts 180 and 417. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the System for Award Management (SAM) database.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph (5) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**Certification Regarding Debarment, Suspension,
Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions**

The following statement is made in accordance with the Privacy Act of 1974 (5 U.S.C. § 552(a), as amended). This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, and 2 C.F.R. §§ 180.300, 180.355, Participants' responsibilities. The regulations were amended and published on August 31, 2005, in 70 Fed. Reg. 51865-51880.

[READ INSTRUCTIONS ON PREVIOUS PAGE BEFORE COMPLETING CERTIFICATION]

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency;
2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this solicitation

SCHEDULE "K" FEDERAL GRANT FUNDING SPECIAL PROPOSAL CONDITIONS

This procurement is fully or partially Federally Grant funded. Respondent certifies that it shall comply with the applicable clauses as enumerated below.

1. **Drug Free Workplace Requirements:** Drug-free workplace requirements in accordance with Drug Free Workplace Act of 1988 (Pub L 100-690, Title V, Subtitle D) All proposers entering into Federal funded contracts over \$100,000 must comply with Federal Drug Free workplace requirements as Drug Free Workplace Act of 1988.
2. **Respondent's Compliance:** The respondent shall comply with all uniform administrative requirements, cost principles, and audit requirements for federal awards.
3. **Conflict of Interest:** The respondent must disclose in writing any potential conflict of interest to the city or pass-through entity in accordance with applicable Federal policy.
4. **Mandatory Disclosures:** The respondent must disclose in writing all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.
5. **Utilization of Minority and Women Firms (M/WBE):** The respondent must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible, in accordance with 2CFR 200.321. If subcontracts are to be let, prime proposer will require compliance by all sub-contractor. Prior to contract award, the respondent shall document efforts to utilize M/WBE firms including what firms were solicited as suppliers and/or subcontractor as applicable and submit this information with their bid submittal. Information regarding certified M/WBE firms can be obtained from:

Florida Department of Management Services (Office of Supplier Diversity)

Florida Department of Transportation

[See attached Minority Certificate, Page-57](#)

Minority Business Development Center in most large cities and

Local Government M/DBE programs in many large counties and cities

6. **Equal Employment Opportunity/Nondiscrimination:** (As per Executive Order 11246) The respondent may not discriminate against any employee or applicant for employment because of age, race, color, creed, sex, disability or national origin. The respondent agrees to take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their age, race, color, creed, sex, disability or national origin. Such action shall include but not be limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship.
7. **Davis-Bacon Act:** If applicable to this contract, the respondent agrees to comply with all provisions of the Davis Bacon Act as amended (40 U.S.C. 3141-3148). Respondents are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, respondents must be required to pay wages not less than once a week. If the grant award contains Davis Bacon provisions, the City will place a copy of the current prevailing wage determination issued by the Department of Labor in the solicitation document. The decision to award a contract shall be conditioned upon the acceptance of the wage determination.
8. **Copeland Anti Kick Back Act:** If applicable to this contract, respondents shall comply with all the requirements of 18 U.S.C. § 874, 40 U.S.C. § 3145, 29 CFR Part 3 which are incorporated by reference to this contract. Respondents are prohibited from inducing by any means any person employed in the construction, completion or repair of public work to give up any part of the compensation to which he or she is otherwise entitled.

9. **Contract Work Hours and Safety Standards Act** (40 U.S.C. 3701–3708): Where applicable, all contracts awarded in excess of \$100,000 that involve the employment of mechanics or laborers must be in compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each respondent is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
10. **Clean Air Act (42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387):** as amended—The Respondent agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
11. **Debarment and Suspension** (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220 and 2 CFR pt. 300) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension. SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The respondent shall certify compliance. The respondent further agrees to include a provision requiring such compliance in its lower tier covered transactions and subcontracts.
12. **Byrd Anti-Lobbying Amendment** (31 U.S.C. 1352): Respondents that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. The respondent shall certify compliance.
13. **Rights to Inventions Made Under a Contract or Agreement:** If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
14. **Procurement of Recovered Materials:** Respondents must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

15. **Access to Records and Reports:** Respondent will make available to the City's granting agency, the granting agency's Office of Inspector General, the Government Accountability Office, the Comptroller General of the United States, City of Coral Gables, or any of their duly authorized representatives any books, documents, papers or other records, including electronic records, of the proposer that are pertinent to the City's grant award, in order to make audits, investigations, examinations, excerpts, transcripts, and copies of such documents. The right also includes timely and reasonable access to the respondent's personnel during normal business hours for the purpose of interview and discussion related to such documents. This right of access shall continue as long as records are retained.
16. **Record Retention:** Respondent will retain of all required records pertinent to this contract for a period of three years, beginning on a date as described in 2 C.F.R. §200.333 and retained in compliance with 2 C.F.R. §200.333.
17. **Federal Changes:** Respondent shall comply with all applicable Federal agency regulations, policies, procedures and directives, including without limitation those listed directly or by reference, as they may be amended or promulgated from time to time during the term of the contract.
18. **Termination for Default (Breach or Cause):** If a contract is entered into, the Respondent acknowledges that if it fails to perform in the manner called for in the contract, or if the Respondent fails to comply with any other provisions of the contract, the City may terminate the contract for default. Termination shall be effected by serving a notice of termination to the respondent setting forth the manner in which the respondent is in default. The respondent will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract.
19. **Safeguarding Personal Identifiable Information:** Respondent will take reasonable measures to safeguard protected personally identifiable information and other information designated as sensitive by the awarding agency or is considered sensitive consistent with applicable Federal, state and/or local laws regarding privacy and obligations of confidentiality.
20. **Prohibition on utilization of cost plus a percentage of cost contracts:** The City will not award contracts containing Federal funding on a cost plus percentage of cost basis.
21. **Energy Policy and Conservation Act (43 U.S.C. §6201):** All contracts except micro-purchases (\$3000 or less, except for construction contracts over \$2000). Contracts shall comply with mandatory standards and policies relating to energy efficiency, stating in the state energy conservation plan issued in compliance with the Energy Policy and Conservation act. (Pub. L. 94-163, 89 Stat. 871) [53 FR 8078, 8087, Mar. 11, 1988, as amended at 60 FR 19639, 19645, Apr. 19, 1995].
22. **Domestic Preference:** As appropriate and to the extent consistent with law, the Contractor should, in accordance with Section 2-699 of the City Code and 2 C.F.R. § 200.322 under Title 2 of the Code of Federal Regulations, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). For purposes of this section:
 - a. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
 - b. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

23. **Telecommunications Equipment or Services:** It is prohibited, as described in section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY 2019 NDAA)1 and 2 C.F.R. § 200.216.2, for any FEMA award funds to be used in the procurement, the entering into or extending or renewing of a contract for the purpose of obtaining any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system. For purposes of this section:

- a. Covered telecommunications equipment or services means—
 - i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation, (or any subsidiary or affiliate of such entities);
 - ii. For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
 - iii. Telecommunications or video surveillance services provided by such entities or using such equipment; or
 - iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

24. **Contract with the Enemy:** In accordance with 2 C.F.R. 200.215, it is acknowledged that no services under this contract are to be performed outside the United states and its territories nor in support of a contingency operation in which members of the Armed Forces are actively engaged in hostilities.

As the person authorized to sign this statement, I certify that this company complies/will comply fully with the above applicable requirements and all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.”

I further acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract and that any subcontractor utilized will also be required to comply with the requirements above.

SCHEDULE "L" - CONTRACTOR CERTIFICATION WORK HOURS AND SAFETY STANDARDS
ADDENDUM

This certification is incorporated as part of the contract for IFB 2022-019 Waterway Bank Stabilization.

The Contractor acknowledges and certifies that in accordance with the mandatory requirement that this provision be set forth in all FEMA related contracts, that it shall comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5).

Under 40 U.S.C. s. 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

The requirements of 40 U.S.C. s. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

More particularly, as set forth in 29 CFR s.5.5(b) which provides the required contract clauses:

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$25 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

WILSON SANCHEZ, hereby certifies that it shall adhere to the Work Hours and Safety Standards regulations throughout the duration of this Contract as set forth above.

SCHEDULE "M" – SAFETY ACCIDENT PREVENTION

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

1. In the performance of this contract the contractor shall comply with all applicable Federal, State and local laws governing safety, health, and sanitation (23 CFR 635). The contractor shall provide all safeguards, safety devices and protective equipment and take any other needed actions as it determines, or as the contracting officer may determine, to be reasonably necessary to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of the work covered by the contract.
2. It is a condition of this contract, and shall be made a condition of each subcontract, which the contractor enters into pursuant to this contract, that the contractor and any subcontractor shall not permit any employee, in performance of the contract, to work in surroundings or under which are unsanitary, hazardous or dangerous to his/her health or safety, as determined under construction safety and health standards (29 CFR 1926) promulgated by the Secretary of Labor, in accordance with Section 107 of the Construction Work Hours and Safety Standards Act (40 U.S.C. 3704).
3. Pursuant to 29 CFR 1926.3, it is a condition of this contract that the Secretary of Labor or authorized representative thereof, shall have right of entry to any site of contract performance to inspect or investigate the matter of compliance with the construction safety and health standards and to carryout the duties of the Secretary under Section 107 of the Contract Work Hours and Safety Standard Act (40 U.S.C. 3704).

WILSON SANCHEZ

_____, hereby certifies that it shall adhere to the Safety Accident Prevention regulations throughout the duration of this Contract as set forth above.

LOBBYIST REGISTRATION FORM

SOLICITATION NAME/NUMBER: WATERWAY BANK STABILIZATION / IFB 2022-019

The Bidder/Proposer certifies that it understands if it has retained a lobbyist(s) to lobby in connection with this specific competitive solicitation that each lobbyist retained has timely filed the registration or amended registration required under the City of Coral Gables Lobbyist Registration requirement pursuant to Ordinance 2021-24 as outlined below:

Lobbyist means an individual, firm, corporation, partnership, or other legal entity employed or retained, whether paid or not, by a principal, or that contracts with a third-party for economic consideration to perform lobbying activities on behalf of a principal.

Lobbying activity means any attempt to influence or encourage the passage or defeat of, or modification to, governmental actions, including, but not limited to, ordinances, resolutions, rules, regulations, executive orders, and procurement actions or decisions of the city commission, the mayor, any city board or committee, or any city personnel. The term "lobbying activity" encompasses all forms of communication, whether oral, written, or electronic, during the entire decision-making process on actions, decisions, or recommendations which foreseeably will be heard or reviewed by city personnel. This definition shall be subject to the exceptions stated below.

Procurement matter means the city's processes for the purchase of goods and services, including, but not limited to, processes related to the acquisition of: technology; public works; design services; construction, professional architecture, engineering, landscape architecture, land surveying, and mapping services; the purchase, lease or sale of real property; and the acquisition, granting, or other interest in real property.

City personnel means those city officials, officers and employees who are entrusted with the day-to-day policy setting, operation, and management of certain defined city functions or areas of responsibility, even though ultimate responsibility for such functions or areas rests with the city commission, with the exception of the City Attorney, Deputy City Attorney, and Assistant City Attorneys, advisory personnel (members of city advisory boards and agencies whose sole or primary responsibility is to recommend legislation or give advice to the city commission); and any employee of a city department or division with the authority to participate in procurement matters, when the communication involves such procurement.

Affidavit requirement. The following provisions shall apply to certain individuals who, in procurement matters participate in oral presentations or recorded negotiation meetings and sessions:

- a. The principal shall list on an affidavit form, provided by the City, all technical experts or employees of the principal whose normal scope of employment does not include lobbying activities and whose sole participation in the city procurement matter involves an appearance and participation in a city procurement matter involves an appearance and participation in an oral presentation before a city certification, evaluation, selection, technical review or similar committee, or recorded negotiation meetings or sessions.
- b. No person shall appear before any procurement committee or at any procurement negotiation meeting or session on behalf of a principal unless he/she has been listed as part of the principal's presentation or negotiation team or has registered as a lobbyist. For purposes of this subsection only, the listed members of the oral presentation or negotiation team shall not be required to separately register as lobbyists or pay any registration fees. The affidavit will be filed by the city procurement staff with the city clerk at the after the proposal is submitted or prior to the recorded negotiation meeting or session. Notwithstanding the foregoing, any person who engages in lobbying activities in addition to appearing before a procurement committee to make an oral presentation, or at a recorded procurement negotiation meeting or session, shall comply with all lobbyist registration requirements.

The Bidder/Proposer hereby certifies that: (select one)

It has not retained a lobbyist(s) to lobby in connection with this competitive solicitation; however, if one is retained anytime during the competitive process and prior to contract execution for this project, the lobbyist will properly register with the City Clerk's Office within two (2) business days of being retained with copy to the city procurement staff.

It has retained a lobbyist(s) to lobby in connection with this competitive solicitation and certified that each lobbyist retained has timely filed the registration or amended registration required under the City of Coral Gables

- *Everglades Holiday Park – Fire Well | Fort Lauderdale, FL*
The project includes construction of fire well and corresponding access road.

SW 36th Avenue Sidewalk Project | Pompano Beach, FL

Located in Pompano Beach, FL this project consists of the construction of 3200 LF of sidewalk, curb & gutter, guardrail, striping and pavement markings, flashing beacons for designated pedestrian crossings, and channel improvements. Channel improvements include the installation of a new 60" dia. reinforced concrete pipe, as well as a new 10' retaining wall requiring sheet piling and continuous dewatering operations during construction. Mr. Sanchez was the Project Manager, and responsible for coordinating all work activities with the City, as well as close monitoring of budget and time.

Progresso Neighborhood Improvements Project | Ft. Lauderdale, FL

This project consists of approximately 3 miles of new sidewalk, ADA accessible ramps, sodded swales, improved drainage systems, landscaping, and 159 solar-powered pedestrian lighting. It is helping to fulfill the community wide vision of "strengthening connectivity and creating safe, accessible, and pedestrian-friendly neighborhoods." As the Project Manager, Mr. Sanchez was responsible for all RFI resolution, attending project meetings, maintaining project on schedule/budget, and preparation of pay applications.

Margate and Coral Springs Bus Shelters: Design-Build | Margate, FL and Coral Springs, FL

Eight bus shelters were built along Sample Road to encourage use of the Broward County Transit System by providing a safer, comfortable, and convenient alternative. Mr. Sanchez served as the Engineer of Record and Project Manager, designing 8 bus shelters with swale areas, foundations, and sidewalks.

Walkway & Bikeway System Phase III | Tamarac, FL

This project consists of approximately 6 miles of bikeway and 1.2 miles of sidewalk created to enhance multi-modal transportation, wellness, and recreational opportunities throughout the City. It also includes new fire hydrants, drainage, and swale areas throughout. Mr. Sanchez was the Project Manager responsible for overseeing construction activities and ensuring project was finished on time and budget.

Rolling Oaks Park Pedestrian Trail | Miami Gardens, FL

This 3000LF pedestrian trail winds Rolling Oaks Park providing a safe and alternate form of travel for the City's residents, as well as features new benches, LED lighting, and outdoor fitness stations. Mr. Sanchez served as the QA/QC Manager and oversaw all paving activities. He was also in charge of acquiring all necessary building, electrical, drainage, and traffic permits.

Broward Boulevard Park & Ride Surrounding Roadways | Ft. Lauderdale, FL

This project's main goal was to facilitate access into and out of the park & ride. As such, turn lanes were added on the surrounding roadways, access roads were widened and re-paved, and a new bus bay was constructed. In addition, the project included a new lighting system, perimeter fencing, sidewalks, and drainage system. Mr. Sanchez was the Project Manager and responsible for overseeing all construction activities, as well as coordinating with the various sub-contractors.

North Perry Airport Park and Ride: Design-Build | Pembroke Pines, FL

The park and ride facility located at the North Perry airport provides 175 parking spaces that allow residents in the vicinity to utilize Broward County Transit System. The new location has new drainage and lighting systems, landscaping, and perimeter fencing. Mr. Sanchez was the Project Manager and responsible for working closely with the Engineer of Record during the design-phase, as his experience and in construction was key in helping complete the project on a tight budget.

First City Hall Park Phase 1 | Lauderhill, FL

This project includes the construction of a new park complete with drainage, water main, gazebos, water fountains, art components, lighting system, playground and corresponding shade structure, landscaping, and parking area. Mr. Sanchez was the Field Superintendent and coordinated daily construction activities.

Helene Klein Pineland Preserve | Pompano Beach, FL

This project consisted of the construction of a new park throughout an environmentally sensitive area including 2500LF of colored concrete sidewalk, 550LF of recycled plastic boardwalk, gazebos, information kiosks, picnic tables, and benches. Mr. Sanchez was the Project Manager in charge of completing the project on time/budget, preparing pay applications, procuring materials to site, and acquiring permits.

EXPERIENCE PRIOR TO ENCO, LLC

RELEVANT EXPERIENCE

North Perry Airport Park and Ride: Design-Build | *Pembroke Pines, FL*

The park and ride facility located at the North Perry airport provides 175 parking spaces that allow residents in the vicinity to utilize Broward County Transit System. The new location has new drainage and lighting systems, landscaping, and perimeter fencing. Mr. Micolta was the Construction in charge of maintaining working relationship with inspectors and ensuring accurate construction of project.

Rolling Oaks Park Pedestrian Trail | *Miami Gardens, FL*

This 3000LF pedestrian trail winds Rolling Oaks Park providing a safe and alternate form of travel for the City's residents, as well as features new benches, LED lighting, and outdoor fitness stations. Mr. Micolta was the Project Manager and responsible for overseeing all construction activities, tabulating quantities for pay applications, attending weekly project meetings, and ensuring project completion on time and budget.

Canal Bank Stabilization, Year 5a | *Doral, FL*

The City of Doral Canal Bank Stabilization project uses geoweb panels to stabilize about 8500 LF of bank along the Dressel's Dairy Canal that have severely eroded. It also includes a 2600' long and 10' wide asphalt path adjacent to the canal. Mr. Micolta was the Construction Manager.

Canal Bank Stabilization, Year 5b | *Doral, FL*

The City of Doral Canal Bank Stabilization project stabilizes 8650LF of bank using geoweb panels and 2100LF using a rip rap system along the Dressel's Dairy Canal that have severely eroded. It also includes a 5400' long and 10' wide asphalt path adjacent to the canal. Mr. Micolta was the Construction Manager.

C-4 Canal Bank Improvements, Palmetto Phase 2 Flood Protection Berm | *Miami, FL*

The Palmetto Phase Berm project is a continuation of the greater scale C-4 Canal Flood Protection Project that was created as a response to flooding resulting from Hurricane Irene in 1999 and another no name storm in 2000. It involves raising 2,500LF of canal bank to elevation 8.3ft NGVD29. Similar to the other phases, it also includes an integrated storm-water drainage collection and disposal system, and high-performance turf reinforcement mat to prevent further canal bank erosion. Mr. Micolta was the Construction Manager, ensuring project would be completed on time and on budget.

Canal Bank Stabilization, Year 7 | *Doral, FL* [In](#)

The City of Doral Canal Bank Stabilization project uses geoweb panels to stabilize about 4400 LF of bank along the Northline Canal and 1700 LF of bank along the Residential Canal that have severely eroded. Due to limited space available on the canal bank, the entire Residential Canal must be done from the water. Mr. Micolta was the Construction Manager, ensuring project would be completed on time and on budget.

EWP Canals 20 & 30 Bank Stabilization | *Lauderhill, FL*

This project stabilizes 2400LF of canal bank in residential areas using 26' to 35' long sheet piles. As the canal had limited ROW, most of the work was completed from the water using barges. Mr. Micolta was the Construction Manager/Project Superintendent, managing a 10 person field crew and working closely with the EOR and City to ensure project would be completed on time and budget.

Canal Bank Stabilization, Phase 1 | *Miami Lakes, FL*

The Miami Lakes Canal Bank Stabilization project uses geoweb panels to stabilize about 3000 LF of bank along the Golden Glades and Peter's Pike Canal that have severely eroded. Due to limited ROW space, all for this project was done from the water side. Mr. Micolta was the Construction Manager, ensuring project would be completed on time and on budget.

C-4 Canal Bank Improvements, Palmetto Phase 1 Flood Protection Berm | *Miami, FL*

The Palmetto Phase Berm project is a continuation of the greater scale C-4 Canal Flood Protection Project that was created as a response to flooding resulting from a hurricane Irene in 1999 and another no name storm in 2000. It involves raising 6,000LF of canal bank to elevation 8ft NGVD29. Like the Sweetwater phase completed, it also includes an integrated storm-water drainage collection and disposal system, and high-performance turf reinforcement mat to prevent further canal bank erosion. Mr. Micolta was the Construction Manager, supervising all field activities and corresponding with sub-contractors.

C-4 Canal Bank Improvements, Sweetwater Flood Protection Berm | *Miami, FL*

This project incorporates raising 5,000LF of canal bank to elevation 8 ft. NGVD29, an integrated storm-water drainage collection and disposal system, and high-performance turf reinforcement mat to prevent further canal bank erosion when water level rise. It is part of the larger scale C-4 Canal Flood Protection Project that was created as a response to the flooding resulting from a hurricane in 1999 and another no name storm in 2000. Mr. Micolta was the Construction Manager, supervising all field activities.

Red Reef Park Boardwalk & Pavilion | *Boca Raton, FL*

The City of Boca Raton Red Reef Park project consists of construction 2500LF of recycled plastic coastal dune boardwalk decking, 4 dune crossovers, 5 pavilions, a turtle-safe lighting system, and upgrades to the existing water system throughout an environmentally sensitive area near the Coastal Construction Control Line. Mr. Micolta was the Construction Manager supervising field crew and ensuring boardwalk, deck, and gazebos were according to drawings and specifications.

Margate and Coral Springs Bus Shelters: Design-Build | *Margate, FL and Coral Springs, FL*

Eight bus shelters were built along Sample Road to encourage use of the Broward County Transit System by providing a safer, comfortable, and convenient alternative. Mr. Micolta was the Construction Manager, participating actively during design/construction phases. He provided design ideas that minimized duration resulting in reduced construction costs, and supervised the field crew on daily basis ensuring quality work.

Renovations and Modifications of Buildings 4181 & 4183 | *West Palm Beach, FL*

The Florida's Turnpike Maintenance Compound Renovations project includes both interior and exterior renovations of buildings #4181 and #4183. Interior renovations consisted of new ADA compliant restrooms, sanitary lines, HVAC & electrical systems, and lighting. Outside renovations include removal of existing doors and windows and infill with CMU stucco, replacement of roof, and new 5.5' x 13.5' x 2.5' pile cap footings. Mr. Micolta was the Field Superintendent overseeing all field activities, maintaining accurate quantities for pay applications, and keeping project on schedule.

Fern Forest Nature Center | *Coconut Creek, FL*

The Fern Forest Nature Center project included the renovations of existing bathrooms, dressing rooms, and kitchen through structural, plumbing, and electrical upgrades. There was also the construction of 430LF of recycled plastic boardwalk and one gazebo. Mr. Micolta was the Field Superintendent and Construction Manager in charge of supervising field crew, procurement, and minimizing impact of construction activities on environmentally sensitive areas.

Ms. Isabella Micolta is a civil engineer. She came to **ENCO, LLC** after working in the nuclear energy sector as a Design Engineer and currently serves as Project Engineer. Her responsibilities include project support during bidding and construction, such as preparing proposals and Statements of Qualifications (SOQs), developing and enforcing project specific Safety Plans & Stormwater Pollution Prevention Plans (SWPPP), preparing shopdrawings and pay applications, as well as procuring materials for job sites and helping the project be completed on time and budget.

RELEVANT EXPERIENCE

Broward Boulevard Park & Ride Surrounding Roadways | Ft. Lauderdale, FL

This project's main goal was to facilitate access into and out of the park & ride. As such, turn lanes were added on the surrounding roadways, access roads were widened and re-paved, and a new bus bay was constructed. In addition, the project included a new lighting system, perimeter fencing, sidewalks, and drainage system. Ms. Micolta oversaw paving activities, monitored that appropriate tonnage was used per square yard to meet specified spread rate, and helped prepare FDOT Daily Asphalt Reports.

Canal Bank Stabilization, Year 5a | Doral, FL

The City of Doral Canal Bank Stabilization project uses geoweb panels to stabilize 8500LF of bank along the Dressel's Dairy Canal that have severely eroded. It also includes a 2600' long and 10' wide asphalt path adjacent to the canal. Ms. Micolta served as the Project Engineer, in charge of procuring materials as needed, supervising field crew, and preparing pay applications.

Canal Bank Stabilization, Year 5b | Doral, FL

The City of Doral Canal Bank Stabilization project stabilizes 8650LF of bank using geoweb panels and 2100LF using a rip rap system along the Dressel's Dairy Canal that have severely eroded. It also includes a 5400' long and 10' wide asphalt path adjacent to the canal. Ms. Micolta served as the Project Engineer, in charge of procuring materials as needed, supervising field crew, and preparing pay applications.

Canal Bank Stabilization, Year 7 | Doral, FL(In

The City of Doral Canal Bank Stabilization project uses geoweb panels to stabilize about 4400 LF of bank along the Northline Canal and 1700 LF of bank along the Residential Canal that have severely eroded. Due to limited space available on the canal bank, the entire Residential Canal must be done from the water. Ms. Micolta served as the Project Engineer, in charge of procuring materials as needed, supervising field crew, and preparing pay applications.

EWP Canals 20 & 30 Bank Stabilization | Lauderhill, FL

This project stabilizes 2400LF of canal bank in residential areas using 26' to 35' long sheet piles. As the canal had limited ROW, most of the work was completed from the water using barges. Ms. Micolta served as the Project Engineer, coordinating fabrication & delivery of sheet piles to ensure a tight project schedule was maintained, worked closely with the EOR to resolve any RFIs, and prepared pay applications.

Canal Bank Stabilization, Phase 1 | Miami Lakes, FL

The Miami Lakes Canal Bank Stabilization project uses geoweb panels to stabilize about 3000 LF of bank along the Golden Glades and Peter's Pike Canal that have severely eroded. Due to limited ROW space, all for this project was done from the water side. Ms. Micolta served as the Project Engineer, in charge of procuring materials as needed, supervising field crew, and preparing pay applications.

C-4 Canal Bank Improvements, Palmetto Phase 2 Flood Protection Berm | Miami, FL

The Palmetto Phase Berm project is a continuation of the greater scale C-4 Canal Flood Protection Project that was created as a response to flooding resulting from Hurricane Irene in 1999 and another no name storm in 2000. It involves raising 2,500LF of canal bank to elevation 8.3ft NGVD29. Similar to the other phases, it also includes an integrated storm-water drainage collection and disposal system, and high-performance turf reinforcement mat to prevent further canal bank erosion. Ms. Micolta serves as the Project Engineer and is in charge of procurement of materials needed, coordinating with sub-contractor, preparing pay application, and supervising field crew activities.

- **Joseph M. Farley Nuclear Plant FLEX Project | Atlanta, GA**
FLEX is a strategy developed to address Fukushima task force recommendations in all nuclear plants across the United States. The main issue identified is the plant losing cooling capabilities as a result of power outage. Ms. Micolta was tasked with researching plant drawings in database to help team effectively design conduit runs by avoiding coring walls containing wires that could result in plant shutdown. She also designed conduit runs and performed calculations dictating whether or not certain walls could be cored.
