(11.08.17 PZB recommended approval, Vote 7-0).

Vice Mayor Keon: F-3.

City Attorney Ramos: An Ordinance of the City Commission of Coral Gables, Florida requesting an amendment to the Future Land Use Map of the City of Coral Gables Comprehensive Plan pursuant to Zoning Code Article 3, “Development Review,” Division 15, “Comprehensive Plan Text and Map Amendments,” and small scale amendment procedures (ss. 163.3187, Florida Statutes) from “Residential Single-Family Low Density” to “Conservation Areas” for the property legally described as all of Tract 3, Avocado Land Company Subdivision, Coral Gables, Florida; and providing for a repealer provision, severability clause, and providing for an effective date. Approval was recommended by the Planning and Zoning Board.

City Manager Swanson-Rivenbark: I can speed this up for you. We’ve briefed all of the Commissioners. They understand that this was a property previously in private hands that had a zoning letter saying that it could build 14 homes, it’s a conservation area, nothing should be built there. They agreed to transfer the property over to us. We agreed to allow them transfer development rights elsewhere and so, we as City as owner are moving to change the land use and the zoning to reflect conservation use, that’s why these two items are listed under First Reading.

City Attorney Ramos: Correct – and they are both public hearing items. We should take a vote on F-3 first if there is no public comment.

Vice Mayor Keon: Is there anyone that wishes to speak to F-3?
