

Attachment B

The Official Zoning Code of the City of Coral Gables is hereby amended to read as follows¹:

ARTICLE 2. ZONING DISTRICTS

Section 2-400. District Overlays.

Section 2-408. University Station Rapid Transit District Overlay.

A. Purpose and applicability.

1. The purpose of the University Station Rapid Transit District Overlay is to implement the goals, objectives, and policies of the City's Comprehensive Plan to locate higher density development along transit corridors and near multimodal stations. These standards are consistent with the intent and provisions of Miami-Dade County's Rapid Transit Zone that provide for transit-oriented development adjacent to the existing mass transit system.
2. The District is established in order to maintain the following objectives:
 - a. Enhance the aesthetic and physical character of the US-1 corridor to provide for the redevelopment of underutilized buildings and properties that is consistent with the high-quality design and architecture of the City and the goals of the Comprehensive Plan.
 - b. Promote and encourage use of mass transit facilities and pedestrian activities along the US-1 corridor by requiring pedestrian-oriented building design and site planning.
 - c. Provide greater housing opportunities in close proximity to transit, employment, park systems, and educational institutions that are not in environmentally vulnerable and sensitive areas.
 - d. Foster the activation of public areas and streets with a consistent design intent regarding ground floor building design, sidewalks, crosswalks, bike infrastructure, pedestrian amenities, and other elements in the public right-of-way.
 - e. Provide public benefits for adjacent residential neighborhoods to address the potential impacts of new developments that could degrade the aesthetics and welfare of the adjacent neighborhood.
3. Applicability.
 - a. The District applies to properties within a quarter-mile of the University Metrorail Station, ~~and~~ as identified as "University Station Rapid Transit District Overlay" on the official Zoning Map of the City of Coral Gables.

¹ Deletions are indicated by strikethrough. Insertions are indicated by underline.

- b. Unless otherwise provided in this section, all provisions of applicable underlying zoning district designations affecting an individual property shall control use and development. Minor deviations from the underlying zoning district requirements may be approved by the Development Review Official, and shall not include floor area, density, building height, setbacks, and open space.
 - c. All of the standards provided below shall be mandatory for properties seeking approval pursuant to the University Station Rapid Transit District Overlay.
- B. Regulations.
 - 1. Building sites. Buildings on building sites within the District of twenty-thousand (20,000) square feet or more, or with street frontage of two hundred (200) feet or more, shall require site plan review and approval by the City Commission.
