CITY COMMISSION MEETING

ITEM TITLE:

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA, DIRECTING THE CITY MANAGER TO WORK WITH CITY STAFF TO DESIGN AND IMPLEMENT GREEN AND WHITE BICYCLE LANE MARKINGS FOR BICYCLE LANES THROUGHOUT THE CITY. (Sponsored by Vice Mayor Anderson)

BRIEF HISTORY:

The City is committed to fostering a safe, sustainable, and active transportation environment for its residents and visitors, and the City recognizes the importance of bike lanes in promoting cycling as a viable and eco-friendly mode of transportation, contributing to the health and well-being of the community, and reducing traffic congestion and pollution.

The enhancement of bike lane visibility is paramount to ensuring the safety of cyclists, pedestrians, and motorists alike, thereby encouraging more residents and visitors to choose cycling for their daily commutes and recreational activities.

The standard practice of delineating bike lanes with white bicycle logos is effective, but the addition of a green rectangle background will increase the visibility of bike lanes, further enhancing safety and awareness among all road users.
