THE CITY BEAUTIFUL

Since its incorporation in 1925, the City's lush, tropical flora has been an integral part of the quality of life shared by Coral Gables residents. Recognizing this, the City's Landscape Beautification Advisory Board has had a long-established tradition of acknowledging the efforts of private and corporate citizens who add to the beauty of their neighborhoods through landscaping. Focusing mainly on botanical improvements, the board bestows Awards of Appreciation every year to the residential and commercial properties that contribute the most to the overall beauty of the area.
