

**City of Coral Gables
CITY COMMISSION MEETING
January 10, 2012**

ITEM TITLE:

Parking Advisory Board Meeting of October 27, 2011

SUMMARY OF MEETING:

1. The Parking Advisory Board discussed the procurement of a new Parking and Revenue Control System for the City's garages. The Board recommends that the system accept credit cards and be automated as much as feasible.
2. The Board requests that staff review options for increasing disabled parking enforcement in private parking lots.
3. The Board review a request from the Green Task Force for reserve parking spaces on Miracle Mile. The Board recommends that any reserve space be in an off-street facility and that the parking on Miracle Mile remain available for any and all drivers.
