Dear City of Coral Gables Commission,

We support resolution F-4 , “Landmarks Advisory Board”. The appointment of a Board of dedicated residents to work in a concerted effort with the city’s historic preservation and public works departments would allow for well informed and fair-minded recommendations where the care of our public landmarks is concerned.

We ask that you approve this resolution. It would further the protection of our city’s treasured endowments.

Sincerely,  
Jaime & Zully Pardo
