Agenda Item I-8 [3:29:48 p.m.]

A Resolution of the City Commission of the City of Coral Gables, Florida  
approving the City's 2020 Legislative Priorities.

Mayor Valdes-Fauli: I-8 – Legislative Priorities. I hope you've all seen them.

Assistant City Attorney Throckmorton: Naomi is on her way up, if you have any questions. But these are the City's Legislative Priorities for the upcoming legislative session. There have been four appropriation requests related to waterway conveyance, infiltration, safe pedestrian passage and another canal dredging. So, these are our four appropriation requests. The legislative priorities are listed attached to that resolution. We have reviewed them all with you and I'm happy to answer any questions or wait for Naomi's arrival. Our lobbying team is getting up and running. I just want to point out for the public, there is one item of particular concern. The building design element bill has been suggested and proposed has been expressed to us as a concern to most of you, so that's listed on our priorities as well.
