To Whom It May Concern:

Re: Luis Quevedo

It is my distinct pleasure to give the highest recommendation on behalf of Luis Quevedo to the Police Department, City of Coral Gables.

In my capacity as Chairman of Deacons, Vice President on the Council of Ministries and Lay Leader (2013-2014) Christ Journey Church of Coral Gables, I have professionally and personally known, collaborated and worked together with Luis Quevedo on several events and projects at Christ Journey Church since 2007.

Mr. Quevedo is a family, church and community-centered individual who places the interests of the underprivileged and under-resourced at the forefront. His strong business leadership skills, commitment, dedication and integrity coupled with his ability to objectively evaluate, understand and resolve complex matters have made Luis Quevedo a first-class stand-out in the community.

Should you require additional information, please do not hesitate to contact me directly at 305-924-4200.

Dear Mariner:

Congratulations! Your Merchant Mariner Credential (MMC) is enclosed. Please review your credential carefully. If you find any errors, please notify us immediately by email or phone:

- IASKNMC@uscg.mil
- (888) IASKNMC (427-5662)

You have received one of the three types of credentials:

- If you received a complete MMC Booklet: It is not valid until you sign it. Please sign your credential now.
- If you received an endorsement label updating your MMC: This label must be inserted into your booklet properly. Follow the direction on the label carefully.
- If you received a Document of Continuity: It does not require a signature and has no expiration date.

You are required to keep your MMC and, if applicable, Transportation Worker Identification Credential (TWIC) onboard with you when you are working. For your convenience, we have included a pocket for storing your TWIC inside the back cover of your MMC. We also recommend you keep a photocopy of your MMC and TWIC at home.

Please remember to initiate the renewal process before your credentials expire. In general, we recommend that you submit your application no later than two months prior to the expiration date. If you have a medical condition, we recommend beginning the renewal process six months prior to the expiration date.

Please help us improve the MMC Program and our service to you by visiting the national Maritime Center's website at www.uscg.mil/nmc and completing a short survey. Select the Customer Survey link on the main screen. Be sure to bookmark the website and check back frequently to stay abreast of the latest changes to the Merchant Mariner Credentialing process.

Sincerely,

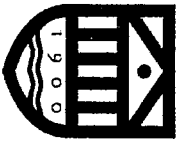

J. P. NOVOTNY
