Reference	Individual building(s)	Overlay District	Type	Requirements
6.	✓	✓	Shared Parking.	Requests for change of use shall be reviewed and approved by the Development Review Official for compatibility with surrounding uses and whether there is a negative impact on the public parking system, including on-street parking. Shared parking may be considered for mixed-use developments on a case-by-case basis pursuant to the provisions of Zoning Code Section 5-14.10.
7.	✓	✓	On-street parking.	On-street parking must be provided on both sides of the street on all primary streets, unless encroachments for arcades/loggias are requested. Evaluation as to the amount of on-street parking provided shall be evaluated on a case-by-case basis. On-street parking shall not be included as satisfying the required parking requirements. On-street parking is encouraged on alleys. Removal of on-street parking shall be subject to compensation to the City based upon established City provisions.
8.	✓	✓	Parking garages.	<b>Individual Buildings and the North and South Industrial MXD:</b> <ul style="list-style-type: none"> <li>Ground floor parking that is located and fronting on a primary street is prohibited.
