Good Morning,
My last review comment was:

SEE UPLOADED CORRECTIONS. PROVIDE SAMPLE OF THICKER VERTICAL MUNTIN, PROVIDE NOTE THAT GLASS WILL BE CLEAR / NO TINT / NO REFLECTIVITY. NOTE THAT WINDOWS ON SHEET 400 ARE NOT CONSISTENT WITH BUILDING ELEVATIONS.

The drawings that I hand marked are attached. Let me know if you have any questions about the comments or the corrections.

Thank you!
Kara

Hi – I can try tomorrow. The file might be too large to email, but I'll see what I can do!

Good morning Ms. Kautz,

My name is Jose R. Oyarbide and I am part of the team at DLG Engineering working on this project.

I am writing to you for assistance in getting the permit referenced above closed.

The comments make reference to uploaded elevations for "House #9.", but we cannot see the file anywhere.

Would you be so kind to send said file to this email so we can, once and for all, address all comments?

Once received and reviewed, we may have more questions.

Thank you for your time and assistance.

Best regards,

Jose R. Oyarbide
