Good Morning Mr. Roman,

Thank you for your email and attached pictures.

My cell number is 305-586-6940 and the best time for a call would be between 9am to 1pm your time. I'm happy to set an appointment time at your convenience.

I am currently in Europe (+6hours Miami time) and will be back in Miami Nov 2. and can also meet you at the house in the days after that to discuss further.

Thank you for your time,
JPS
