---

I nominate Brother Dale Owens for the 2009 Robert Dekorte Award. The nominee must best exemplify courage, dedication and devotion to duty, exhibit courtesy and a positive police image to the public and help promote brotherhood and morale on the Department.

Brother Owens serves as the State FOP Trustee and has served in that position for several years. He always has the members' best interest at heart and represents our members in local, state and national events. As a member of the Uniform Patrol Division, Brother Owens serves as a mentor to younger officers and is always quick to assist anyone in need. I have seen him in numerous situations where he is dealing with the public and he always represents a positive image.
