

**City of Coral Gables
CITY COMMISSION MEETING
OCOTBER 27, 2009**

ITEM TITLE:

Resolution rescinding Resolution No. 2008-08 regarding trolley fleet maintenance services.

RECOMMENDATION OF THE CITY MANAGER:

Approval.

BRIEF HISTORY:

The Automotive Department has evaluated the service and maintenance requirements of the City's Trolley Fleet and has determined that required services can be provided with an annual minimum savings of approximately \$100,000. The Automotive Department will retain four (4) positions to provide the service.

The City entered into an agreement with First Vehicle Services, Inc. on November 18, 2003, for trolley maintenance and management services. This was a four-year contract that expired in 2007. After a series of unsuccessful competitive solicitations, the City extended the current agreement with First Vehicle Services, Inc. on a month-to-month basis at the current rate until an acceptable contract is negotiated. The City intends to give notice to discontinue this contractual service.

LEGISLATIVE ACTION:

Date	Resolution/Ordinance	Comments
10-21-03	R-2003-193	City Commission authorized the contract with First Vehicle Services, Inc.
01-08-08	R-2008-08	City Commission approved to extend contract with First Vehicle Services, Inc. on a month-to-month basis at the current rate until an acceptable contract is negotiated.

APPROVED BY:

Department Director	City Attorney	City Manager
