City Attorney Ramos: A Resolution of the City Commission of the City of Coral Gables, Florida establishing its intent to reimburse certain project costs incurred with proceeds of future tax - exempt financings; providing certain other matters in connection therewith; and providing an effective date.

Finance Director Gomez: So, this is just a resolution showing our intent that we plan to go out for bonds for Garage 1, the mobility hub, and so in order for us to start spending the money in advance in borrowing against our own funds in advance and being able to reimburse ourselves, we have to pass this intent resolution per the IRS Code.
