A Resolution accepting the recommendation of the Procurement Officer to award the contract for Pump Stations SCADA/Telemetry System Rehabilitation to Custom Controls Technology, Inc. as the lowest responsive and responsible bidder in the amount of \$835,180.01, pursuant to Invitation for Bids (IFB) 2019-046 and Section 2-763 of the Procurement Code entitled "Contract Award".

Mayor Valdes-Fauli: Alright, B-3.

City Attorney Ramos: B-3 is a Resolution accepting the recommendation of the Procurement Officer to award the contract for Pump Stations SCADA/Telemetry Systems Rehabilitation to Custom Controls Technology, Inc. as the lowest responsive and responsible bidder in the amount of \$835,180.01, pursuant to IFB 2019-046 and Section 7 -- 2-763 of the Procurement Code.

Mayor Valdes-Fauli: Mr. City Manager.

City Manager Iglesias: Mr. Mayor, Commissioners, this is a reconstruction of our telemetry system for sanitary sewer system. It is -- it will -- it helps control and tune our entire system. I will let Assistant City Manager Santamaria give some further comments on this one.

Mayor Valdes-Fauli: Ed.

Assistant Finance Director Walker: He isn't here. Okay.

Mayor Valdes-Fauli: Mr. Santamaria. Oh, you're not Mr. Santamaria.

Assistant Finance Director Walker: I'll speak on his behalf. Celeste Walker, Procurement Officer. This solicitation was issued as a competitive bid. We had three bidders. We are rewarding to the lowest bidder. This particular item, as the City Manager stated, it's software and hardware equipment that will be installed, and it will assist with controlling and monitoring 35 wastewater pump stations, two storm water pump stations and one water gate and one wastewater pressure gauge. So, we're asking for your permission to move forward with the award of this to the lowest priced bidder.

Assistant City Manager Santamaria: Thank you, Celeste. That was good.

Mayor Valdes-Fauli: Are there any comments from the Commission? Alright, no comments from the Commission. Public comments through Zoom? No public comments through Zoom. Any

member of the public on the phone that would like to comment on this item? Okay, Mr. City Clerk, any comments?

City Clerk Urquia: No comments were received on this item, Mr. Mayor.

Mayor Valdes-Fauli: Alright. Then I would ask for a motion.

Commissioner Mena: Move it.

Vice Mayor Lago: Second.

Mayor Valdes-Fauli: Will you call the roll, Mr. City Clerk?

Commissioner Mena: Yes.

Commissioner Fors: Yes.

Commissioner Keon: Yes.

Vice Mayor Lago: Yes.

Mayor Valdes-Fauli: Yes.
