Good Afternoon,

I am now in a computer training class for the rest of the day.

You will need to re open the permit/ complete the work and then obtain the remaining inspections.

You may need to obtain a new contractor as well.

I can contact you later today, or tomorrow. Thank you for contacting me.

Dear Miss Lynn Schwartz

Thanks for the note , not to attend the Code Board Hearing today.

I tried a couple of times to phone you, but could not connect you.

Pl instruct me what to do further. The contractor did not finish the work in time, probably due to Pandemic, causing all these problems. I was also stranded in India with out flight due to Covid-19 lockdown for almost one year. Pl advise what to do now.

Sincerely

Madhavan
