

**BUSINESS IMPROVEMENT DISTRICT  
OF CORAL GABLES**

September 13, 2012

Dear BID Property Owner,

The Business Improvement District of Coral Gables (BID) was re-established by a majority of affected property owners for another five year term.

This notice serves to inform you that a Public Hearing has been set before the Coral Gables City Commission at City Hall, 405 Biltmore Way, Coral Gables, Florida, at 9:00 AM, Tuesday, October 16, 2012, to review the preliminary assessment roll setting forth properties to be benefited by the BID, and to hear testimony from any affected property owners as to their proposed BID assessments. The City Commission will sit as the Equalization Board and may make any adjustments that they may deem appropriate.

The 2012-13 annual assessment rate for properties on Miracle Mile is \$0.509 per ground floor square foot. Properties off Miracle Mile will be assessed at \$0.407 per ground floor square foot, which is 80% of the Miracle Mile rate. Annual increases of 4% per year have been proposed for the four years thereafter.

Should you have any questions, please contact us at (305) 569-0311, or you may contact the City Clerk at (305) 460-5207.

Sincerely,

Mari Gallet  
Executive Director
