Dear Mayor, Vice-Mayor and Commissioners:

The Coral Gables Museum requests a grant in the amount of \$100,000 for Fiscal Year 2014.

It has been our great pride and pleasure to see the Museum develop into the cultural center of the City Beautiful, embraced by residents, visitors, educational and international institutions and the corporate community. The Coral Gables Museum celebrates the civic arts of architecture, urban design and planning, sustainable development and preservation and of course, the local history and heritage of those disciplines. With our mission and associated exhibitions and programs, we essentially celebrate *all things Coral Gables*.

We thank you for your consideration of this request and your commitment to the success of the Coral Gables Museum.

Sincerely,

Arva Moore Parks
Chairman
Board of Directors
