Dear Mayor,

I've live in Coral Gables since I was 12 years old. I'm all my years I have never seen anything like the property on 1615 Ferdinand. Nor have I ever seen such apathy from my city.

My mother is 98 years old and lives next to this house. I live in front of it. So we are affected by the disregard by both the property owner and the city.

There is a port a potty that is open and gardeners and other individuals use it. We have requested that it be cleaned and locked. Nothing. My mom doesn't even sit by her pool anyone because of the smell of human waste when it is used.

She voted for you. She got all her elderly friends to vote for you. You sat with her and asked her for your vote.

Now I'm asking for her, myself, and all the neighborhood who have written to you and the code enforcement officers please do something.

I pay taxes on two properties and this is what I get? Excuses. If you had your mother living next to this, your family across the street, would it be ok? Would it really?

A year later the property is worse than ever. It is the haunted house of Ferdinand.

Please help us. The entire neighborhood had been patient. But it's time for action!
