RE: *Domestic water pump project at the Coral Gables
Police Headquarters
2801 Salzedo Street, Coral Gables, Florida 33134*

Dear Ms. Jimenez:

The Invitation to Bid for the above mentioned project was sent only to the City's pre-qualified plumbing Contractors on September 29, 2008.

The bids were received on the due date: October 20, 2008 and opened by Ernesto R. Pino, R.A., Assistant Public Works Director. The Bid Summary is as follows:

- | | |
|---------------------|---------------------|
| 1. Bay Plumbing Co. | \$39,440.00 |
| 2. J.P. Plumbing | Statement of no Bid |

The bid package received was reviewed for contract conformity and approved. It was also examined for technical compliance by Ernesto R. Pino, R.A., Assistant Public Works Director, and Lis Ferrer, P.E., Project Engineer and was found to satisfy the Bid requirements.

A search of the State of Florida licensing portal shows that Bay Plumbing Co. is licensed as a Plumbing Contractor in the State of Florida. The site does not show any licensing complaints for Bay Plumbing Co.

Based on the above review of the information provided, it is recommended that the City award the contract for the domestic water pump project at the Coral Gables Police Headquarters to Bay Plumbing Co. Inc.

Sincerely,

R. Alberto Delgado, P.E.
Public Works Director
