Agenda Item D – Mayor’s Comments [Start: 9:30 a.m.]

Mayor Valdes-Fauli: My comments. I have very brief comments. We are going through very, very difficult times, not only with Covid and the vaccinations and who gets vaccinated and where, and contagions. Today we don’t have Commissioner Mena with us, because he was exposed. I just urge the people of Coral Gables to be careful, wear masks, and be aware that this is a major, major epidemic, and we have to be careful. In addition to that, I am glad that in Coral Gables we have peace, we have order, and given the events of last week in the Capital and the Capitol, I urge everybody to continue with your examples of civic obedience and good citizenship.
