BRIEF HISTORY:

The Antique Automobile Club of America presents an antique automobile show on an annual basis in the City of Coral Gables. This is the tenth annual show and has traditionally been on Miracle Mile on a Sunday. As a result, historically there has been no fee for the use of on-street parking spaces to display the antique automobiles.

This year's show is scheduled for Sunday April 17, 2011. The Antique Automobile Club of America is requesting that the City of Coral Gables waive the \$560 cost of renting fifty-six (56) parking spaces for this community event.
