CITY COMMISSION MEETING  
March 22, 2011**

**ITEM TITLE:**

Congratulations to Firefighter John Jensen, recipient of the City of Coral Gables Firefighter of the Month Award for the month of February, 2011.

**BRIEF HISTORY:**

Firefighter Jensen was selected as February's Firefighter of the Month for his meritorious display of job performance, specifically his extraordinary actions at a severe car accident on the night of December 3, 2010. It was a great team effort, and Firefighter Jensen was instrumental to the successful extrication of one of the occupants in the car; initially stabilizing the car, cutting the seats from inside the car with an air chisel, and carefully putting the patient on a backboard before taking her out. His professionalism, efficiency, and exceptional performance should be recognized and commended.
