Dear Ms. Jimenez:

Please consider this correspondence a formal request to place the following item on the February 24th City Commission meeting agenda:

A request by the Coral Gables Museum to place a sign on the construction fence at 285 Aragon Avenue to accompany artwork produced by Coral Gables Elementary School students, the display of which was previously approved by the Commission. The proposed 2' x 3' sign will briefly describe the Museum project, and list Coral Gables Elementary School, the Museum Board of Directors, City Commission and appointed officials. A copy of the proposed sign is attached.

Please do not hesitate to contact me should you have any questions or require additional information.

Regards,

Christine Rupp
