David Brown, City Manager
City of Coral Gables
Office of the City Manager
405 Biltmore Way, 1st Floor
Coral Gables, FL 33134

Dear Mr. Brown:

I am pleased to advise you that the Miami-Dade County Board of County Commissioners has recently streamlined the Parking Fines Reimbursement Program. The revised program requires only that an affidavit (see enclosed template) be submitted annually from the municipality's chief administrative official stating that the funds reimbursed shall be used to improve accessibility and equal opportunity to qualified persons who have disabilities in the municipality and to conduct disability public awareness programs.

For Fiscal Year 07-08 only, you must also complete the enclosed revised interlocal agreement and return to our office. It is our goal to increase participation in the program in order to get these monies back into the communities where they can be used to fund programs for persons with disabilities. Additionally, it is hoped that more reimbursements create additional incentives to enforce the accessible parking laws, thus freeing up more spaces for those who are entitled to use them.

The combination of fines collected in the previous fiscal year, and unspent funds from other municipalities, makes available an amount of \$8,949.95 for which the City of Coral Gables may apply. The deadline for submission of the affidavit and interlocal agreement is **June 30, 2008**.

Reimbursements to municipalities are based on a percentage of revenue collected during Fiscal Year 06-07 that is determined by calculating the total amount paid on tickets in a municipality divided by the total number of tickets paid countywide. Funding estimates include a percentage of the carryover moneys that were not distributed to any municipalities in the previous year.

In accordance with Section 30-447 of the Code of Miami-Dade County, parking fine money generated from the misuse of marked spaces for people with disabilities is used in the following manner:

- One-third of the money is used to defray Clerk of Courts' administrative expenses; and
- Two-thirds of the money is used to provide funds to improve accessibility and equal opportunity to qualified physically disabled persons and to provide funds to conduct public awareness programs concerning physically disabled persons.

The two-thirds are distributed in the following manner:

Thirty percent is retained by the County for countywide purposes, in accordance with state law, and 70 percent is allocated to the governmental entity having jurisdiction over the violation.

If you would like more information regarding the Parking Fines Reimbursement Programs, please contact the Office of ADA Coordination Director Heidi Johnson-Wright at (305) 375-3566, 111 NW 1st Street, Suite #348, 12th Floor, Miami, Florida 33128.
