ITEM TITLE:

Resolution. A Resolution of the City Commission of Coral Gables, Florida approving a one-year extension of the Murals on the Mile program.

DEPARTMENT HEAD RECOMMENDATION:

Approval

BRIEF HISTORY:

The Murals on the Mile project, launched in October of 2021, was intended to bring safe, socially distant activations and a sense of pride to the downtown to generate pedestrian traffic and economic growth in the wake of the COVID-19 pandemic. The murals have been well received by the community and due to the positive feedback, the City requests extending the project for a period of one year. The City will obtain the necessary permissions from the participating property owners to continue displaying the murals on their property. As stated in the City's Zoning Code, under appendix E.1 section B8, the City Manager or his/her designee may approve temporary adjustments to the provisions with the intent of creating a lively and vibrant district.

The subject walls are at:

1. 292 Miracle Mile (west-facing wall of Starbucks)
2. 136 Miracle Mile (east-facing wall)
3. 152 Miracle Mile (west-facing wall of Barnes & Noble)
