It's a Mad, Mad, Mad, Mad World (70mm)
Coral Gables Art Cinema

10/6 Stanley Kramer followed his Oscar-winning Judgment at Nuremberg with this sobering investigation of American greed. Ah, who are we kidding? It's a Mad, Mad, Mad, Mad World, about a group of strangers fighting tooth and nail over buried treasure, is the most grandly harebrained movie ever made, a pileup of slapstick and borscht-belly-one-liners performed by a nonpareil cast, including Milton Berle, Sid Caesar, Ethel Merman, Mickey Rooney, Spencer Tracy, Jonathan Winters, and a boatload of other playing-to-the-rafter comedy legends. For sheer scale of silliness, Kramer's wildly uncharacteristic film is like any other, an exhilarating epic of tomfoolery. #CoralGablesArts

#CoralGablesArts FY24-25 Social Media Analytics

This year we featured 50+ art organizations, unique activations, galleries, theatre, film, music, public art, sensor-friendly and family-friendly events over the course of 48 weekly posts via Instagram and Facebook. The following are summarized analytic reports from both platforms.

FY24-25 Social Media Strategy

A mix between reels and carousel posts with slides that exhibit art events in Coral Gables. Each slide is complete with the event title, date and time, admission cost, short description of event and a photo that is representative of the event or venue. Each post tags the featured organizations to increase reach and engagement, furthering the #CoralGablesArts initiative.

Looking Ahead to FY25-26

In FY25-26, our social media strategy will prioritize reach, consistency, and geographic relevance. We will pursue dedicated collaboration partners for weekly co-branded content to expand visibility and strengthen cross-audience engagement. To better serve Coral Gables and increase engagement from surrounding communities, we will pilot new content formats and posting cadences, featuring a broader range of cultural activity. This includes transitioning from single weekly posts highlighting 5–7 events to bi-weekly features showcasing 10–14 events per post, allowing for greater exposure of local programming.

Partner Benefits

Spotlight local artists and performers with short form video to be used across your platforms and highlighted on ours. Get behind-the-scenes content for events to engage your audience and build a stronger, tighter-knit community on your platforms. Invite @artsbizmiami to be your collaborator on select event posts to increase your reach and engagement. Request live event coverage with a recap sizzle reel to amplify your event's impact; add this content to your digital asset library to be used in the future. Schedule a 1-on-1 SWOT Analysis with Rezia to assess your social media's Strengths, Weaknesses, Opportunities, and Threats for decision-making in business, marketing or project planning.

Utilize Your Benefits

E-mail our Digital Marketing Manager, Rezia Hayes, rezia@artsbizmiami.org, to submit your organization/business' upcoming events to be featured weekly across our platforms, accumulating a reach of 250,000 accounts.

Analytic Summary:

196,740 post reach illustrates a 35% increase in post reach from FY23-24

27,557 post impressions illustrate a maintained impression count from FY23-24.

45% average engagement rate shows a maintained engagement rate from FY23-24.
