#### Contract Details

- Installation to be completed before November 1st (each year)
- All electrical cords used will be industrial grade green or orange cords
- Weekly visits will be conducted by technician to ensure all material is functioning properly
- All service calls from city will be responded to within 24 hours
- Take down completed before January 15th (each year)

By signing this contract, client is committing to a three season contract (2019-2020-2021). Client will be responsible for completing all years in contract. If client chooses to terminated contract prior to completing all three years, client will be responsible for meeting with owners of Plant Professionals to negotiate contract termination terms.

Pricing of contract to remain firm for all three years on contract (2019-2020-2021)

Purchase and installation of material will only take place with receipt of purchase order from city for each year of contract.

All decorations with lights will require functional outlets for power. City will be required for ensuring all outlets are installed and functional prior to installation of all decorations. Once decorations are installed on City property, client will be responsible for paying full price of contract regardless of power situation.

All products listed are to be leased to client for term of contract. Lease price covers storage, installation, maintenance, take down, and refurbishment. At no point will client own any material listed on contract.

Any damages that we have no control over, i.e. vandalism, damage from lawn maintenance equipment, severe weather, electrical surges, or unpruned palm fronds will be documented and billed as an additional charge. Client will be responsible for paying for any additional charges.

All C-7 lights are secured to surfaces using hot glue. Damages may occur to surface during installation, maintenance, and/or take down. Client recognizes these damages may occur and will be responsible to cover all costs of repairs if damages occur. Plant Professionals will not be responsible for any damages.
