CITY COMMISSION MEETING
January 11, 2022

ITEM TITLE:

Resolution. A Resolution of the City Commission of the City of Coral Gables, Florida, authorizing City staff to negotiate and execute a month-to-month extension on the contract with Freebee to continue the current on-demand public transportation services.

BRIEF HISTORY:

On January 8, 2019, pursuant to Resolution No. 2019-15, the City Commission authorized City staff to negotiate and execute a contract with Freebee to provide on-demand public transportation services for one (1) year with two (2) one year options, at an amount not to exceed \$483,625 annually. Accordingly, the City entered into a Master Services Agreement with Beefree, LLC on February 1, 2019 with an effective date of January 1, 2019 (the "Agreement"). The City exercised its options to extend the Agreement for two one-year terms and the most recent term expired on December 31, 2022.

The proposed resolution would allow the City to continue the current Freebee service under the Agreement on a month-to-month basis while City staff evaluates potential options to continue the Freebee service as an ongoing free, "last mile" public transportation service within the Downtown area.
