**Re: 1500 Venera Avenue, 1515 San Remo Avenue, and 1537 San Remo Avenue /
Update to Planning Division Application**

Dear Mr. Trias:

On behalf of Sunset Place Luxury Holdings, LLC; Shoma San Remo, LLC; and San Remo Office Associates, LLC (the "Applicants"), we respectfully submit the enclosed updated plans in connection with the proposed mixed use development to be located at 1500 Venera Avenue, 1515 San Remo Avenue, and 1537 San Remo Avenue (the "Property"). The Applicants propose to demolish the existing apartment buildings currently located at 1500 Venera Avenue and 1515 San Remo Avenue as well as the existing commercial building located at 1537 San Remo Avenue and to construct a mixed use retail, office, and residential development on the Property (the "Project"). On October 11, 2017, the Planning and Zoning Board unanimously recommended approval of a previous version of the Project by a vote of 5-0, subject to certain conditions of approval.

At the time of the October 2017 Planning and Zoning Board meeting, the Project as proposed included the sites located at 1500 Venera Avenue and 1515 San Remo Avenue. Since then, the Applicants have entered into a contract to purchase the property located at 1537 San Remo Avenue and have incorporated that parcel into the Project. Additionally, based on feedback received from neighboring property owners and the City Commission, the Applicants have agreed to decrease the total number of dwelling units and retail square footage. Accordingly, the Project now includes a 165-unit apartment building to be constructed on the 1500 Venera Avenue and 1515 San Remo Avenue sites ("Phase I"), which is a decrease of 10 units from the 175 units previously proposed for Phase 1, and a five-story building to be constructed on the 1537 San Remo Avenue site which, previously was proposed to have 14 residential units, will now contain approximately 15,363 square feet of office space ("Phase II"). At the City Commission hearing on February 13, 2018, at which the Project was discussed and approved on First Reading, the City Commission requested that the Planning and Zoning Board review and provide comments to the updated plans and the new Phase II building in particular.

Accordingly, please find enclosed herewith the updated Phase I and Phase II plans for review and comment by the Planning and Zoning Board at its March 14, 2018, meeting.

We respectfully submit that the inclusion of the new Phase II office component to the Project enhances the Project by furthering the mix of uses and also provides for a much improved overall block by addressing what previously was a "hole in the doughnut" situation where the existing office building would have remained in between two larger and newer developments and created a functional and aesthetic incongruity. We look forward to continue working with you on this Project. If you have any questions, please do not hesitate to contact me at (305) 376-6061. Thank you for your attention to this matter.

Sincerely,

Mario Garcia-Serra

- PRIOR TO COMMENCEMENT OF ANY WORK CONTRACTOR SHALL PERFORM ROUTINE MAINTENANCE, PER ANSI A300, ON THE EXISTING TREES TO REMAIN INCLUDING REMOVAL OF DEAD/DECAYED WOOD, REMOVAL OF ATTACHED BRANCHES AND STRUCTURALLY UNSOUND LIMBS AS WELL AS REMOVAL OF SUBORDINATED BRANCHES WHERE INCLUDED BARK IS PRESENT AND REMOVAL OF BRANCHES TO INCREASE LIGHT AND AIR PENETRATION WITHIN THE CANOPY. REDUCTION OF OVERALL CANOPY SIZE IS PROHIBITED. UNDER NO CIRCUMSTANCES SHALL MORE THAN 25% OF ANY CANOPY BE REMOVED IN A TWELVE MONTH PERIOD.
- PER ANSI A300, CONTRACTOR SHALL REMOVE DEAD BRANCHES AND SUCKERS FROM PRESERVED TREES.
- PER ANSI A300, CONTRACTOR SHALL REMOVE RIPPED, TORN OR "LION TAILED" BRANCHES FROM PRESERVED TREES.
