**LEASE AGREEMENT BETWEEN CITY OF CORAL GABLES
AND PETERSON'S HARLEY-DAVIDSON OF MIAMI, LLC
FOR HARLEY-DAVIDSON POLICE MOTORCYCLES**

This Agreement made and entered into between Peterson's Harley-Davidson of Miami, LLC, herein referred to as "Lessor" and City of Coral Gables, herein referred to as "Lessee," made this _____ day of _____, 2025 for the purpose of leasing eleven (11) FLHP Harley-Davidson Police motorcycles under the following terms and conditions:

- 1) **EQUIPMENT:** 2025 black FLHP Road King Harley-Davidson Police solo motorcycles with the complete description provided on the attached specification sheet herein referred to as "Exhibit 1".
- 2) **AGREEMENT TERM:** The term of this Agreement shall commence on the date of delivery of the aforesaid police motorcycle and continue thereafter for a period of thirty-six (36) months. Motorcycles leased under this Agreement are to be used for police and related activities: off-duty details, funeral escorts and parades only. Any other use shall require the prior written consent of Lessor. At the end of the Agreement term, Lessee shall return the motorcycles to Peterson's Harley-Davidson of Miami, L.L.C.

By mutual agreement of the parties, Lessee may extend the term of this Agreement for up to ninety (90) calendar days beyond the expiration of the term, if needed, while a new agreement is being negotiated. If this right is exercised, Lessee shall notify Lessor, in writing, and prior to sixty (60) calendar days of the expiration of the term, of its intent to extend the Agreement beyond the term for a specific number of days, subject to the same terms and conditions set forth in this Agreement. If Lessee keeps possession of the motorcycles past the expiration of this Agreement, the Lessee shall continue to pay the monthly payments as specified in this Agreement. The Lessee shall also pay the Lessor for any services or repairs needed, including parts and labor for tires, brakes, clutches, and damage to engine, transmission, paint, or body parts incurred during the extension unless another arrangement was mutually agreed upon prior to the expiration of this Agreement. Please refer to Paragraph 13 with regard to maintenance and warranty of the motorcycles.

- 3) **PAYMENT PERIOD:** Lessee shall pay monthly payments in the amount of \$875.00 for each motorcycle. Payments include the cost of equipment, payment of interest,

maintenance, and administrative costs, less the residual value of the motorcycle. Lease of motorcycles will be billed around the 5th day of each month and payable within 30 days of the date billed during the term of this Agreement.

- 4) **INSURANCE:** At its own expense, the lessee shall carry casualty insurance in the amount of \$2,000,000 with respect to the motorcycle and shall carry Public Liability and Property Damage Insurance sufficient to protect the actual cash value of the equipment and to protect the Lessor from liability in all events. The Lessee shall carry Worker's Compensation covering all its employees working on, in, or about the motorcycle. The Lessee shall furnish to the Lessor certificates or other satisfactory evidence of all insurance coverage described above as required by the terms and conditions of this Agreement. The Lessor shall be named as additional insured and loss payee.
- 5) **HOLD HARMLESS INDEMNIFICATION BETWEEN PARTIES:** Subject to the provisions and monetary limitations of Section 768.28 (5), Florida Statutes, which limitations shall be applicable regardless of whether such provisions would otherwise apply, and to the extent permitted by law, the Lessee shall and does hereby indemnify and save the Lessor harmless from any and all liability arising out of the leasing, renting, operation, control, use, delivery and/or return of the motorcycle including, but not limited to injuries causing personal injury, property damage and/or death, except for damages resulting from a design fault in the product, but shall be credited with any amounts received by the Lessee with respect thereto from liability insurance by the Lessee. The indemnification shall include all costs and expenses including Attorney's fees incurred by the Lessor in connection with any suits or actions resulting from and special liability. Nothing contained herein is intended nor shall be construed to waive Lessee's right and immunities under common law and Section 768.28, Florida Statutes.
- 6) **LIENS:** The Lessee shall not directly or indirectly create, incur, assume, or suffer to exist any mortgage, pledge, lien, charge, and encumbrance or claim on or with respect to the motorcycle, except with respect to the respective rights of the Lessor as herein provided. Lessee shall promptly, as its own expense, take such actions as may be necessary to duly discharge any such mortgage, pledge, lien, charge, encumbrance or claim not excepted above if the same shall arise at any time due to the Lessee's action or inaction.
- 7) **TAXES AND FEES:** The Lessee shall pay any necessary taxes or fees, including but not limited to Sales and Use Tax, Excise Tax, Personal Property Tax, assessments, penalties, licenses, fees, registration fees, freight and transportation charges, permits and any similar charges imposed on the ownership, possession or use of the motorcycle during the term of the Agreement. Both parties recognize that the Lessee is tax exempt under Florida Law.
- 8) **CARE AND USE OF EQUIPMENT:** The Lessor agrees to maintain the motorcycle pursuant to the manufacturer's standard preventative maintenance plan and/or recommendation, pursuant to the provisions set forth in Paragraph 13. All repairs shall be made at either Peterson's Harley-Davidson location; 19400 NW 2nd Ave., Miami, FL 33169 or 19825 S. Dixie Hwy., Cutler Bay, FL 33157. The Lessee, at its own cost and

expense, shall ensure delivery of the Motorcycle to either Peterson's Harley-Davidson location at regular intervals set up by the Lessor in accordance with the service schedule attached herein referred to as "Exhibit 2." The Lessee shall protect the motorcycle from deterioration other than normal wear and tear, shall use the motorcycle for police related activities only, without abuse, and shall not make modifications, alterations or additions to the motorcycle without the written consent of the Lessor, which shall not be unreasonably withheld. The Lessor shall have the right, during regular business hours to enter upon the premises where the motorcycle is located in order to inspect, observe or otherwise protect the Lessor's interest and the Lessee shall afford them the opportunity to do so.

9) DAMAGE OR DETERIORATION OF MOTORCYCLES: In the event the motorcycle is damaged due to the actions of the Lessee or its employees prior to the end of this Agreement, the Lessee will promptly have the motorcycle repaired and restored to its original condition and working order. Any damage done to lease motorcycles during the officers' training will be repaired as soon as possible following damage at Lessee's expense. This includes damage done to engine, transmission, brakes, paint, and body parts. All repairs must be done at either of the Lessor's repair facility located at 19400 NW 2nd Ave., Miami, FL 33169 or 19825 S. Dixie Hwy., Cutler Bay, FL 33157. In case of theft or total loss of the motorcycle, the replacement value shall be \$25,000.00 minus 1.5% for each month the agreement is in effect.

10) SELECTION OR RIDER: The Lessor reserves the right to reject any rider of his motorcycle so as to be assured that proper handling and care is exercised.

11) RIDER RESPONSIBILITY AND PRIVILEGES: The rider will be responsible for keeping the motorcycle clean and is required to report any defects or abnormalities. The rider shall be allowed to use the motorcycle to go back and forth to work provided that it is fully insured at all times by the Lessee and the distance is no more than thirty (30) miles each way per motorcycle during the lease period. For each mile driven per motorcycle over 30,000 total miles during the lease period, there shall be a \$0.15 cents per mile charge.

12) EVENTS OF DEFAULT AND REMEDIES: Lessee shall be deemed to be in default hereunder upon the happening of any of the following events of default:

- a) Lessee shall fail to make any periodic payment, or to pay any other payments required to be paid hereunder, or
- b) Lessee shall fail to keep any such other term, covenant or condition contained herein.

Upon the occurrence of an event of default as specified above, and upon the failure of Lessee to remedy such event of default with all reasonable dispatch within a period of thirty (30) days, Lessor or its assigns shall have the right, at its option without any demand or notice, to pursue any of the following remedies:

- a) By written notice to Lessee, declare an amount equal to all payments due during the Agreement term to be immediately due and payable as liquidated damages and not as a penalty, whereupon the same shall become immediately due and payable.
- b) Re-enter and take possession of the equipment, enforce this Agreement or terminate the Agreement, and repossess the equipment and sell or lease the equipment for the account of the Lessee, holding Lessee liable for all payments up to the effective date of such leasing or selling and for the difference in the purchase price, rental and other amounts paid by the Lessee or purchaser pursuant to such lease or sale and the amounts payable by Lessee hereunder, and
- c) Any action at law or in equity as may appear necessary to collect the payments then due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of Lessee under this Agreement upon failure to comply with any term, covenant or condition contained herein.

13) MAINTENANCE AND EQUIPMENT: Lessor shall provide full maintenance for the motorcycle at no cost to the Lessee, including regular scheduled services as recommended by the factory in accordance with the schedule attached hereto as Exhibit 2, plus parts and labor for repair and/or replacement of tires, brakes, and clutches. Parts and labor required as a result of physical damages will not be considered maintenance and Lessee shall be fully responsible for such repairs. Transfer of any department-owned equipment, such as radars, radios, set-com, moto-lights, and cameras will also be installed at no charge to the Lessee. The Lessor shall not supply Lessee with gasoline or radios. All maintenance shall be done at either Peterson's Harley-Davidson locations; 19400 NW 2nd Ave., Miami, FL 33169 or 19825 S. Dixie Hwy., Cutler Bay, FL 33157. Specific parts requested by the department, as described in "Exhibit 3" attached hereto, shall be considered department-owned equipment and shall remain the property of the department. The Harley-Davidson Motor Company warranty on the leased motorcycles is for a period of thirty-six (36) months coinciding with the lease term agreed upon between the parties. In the event the Lessee retains the motorcycles at the conclusion of the thirty-six (36) month lease, the Lessee shall be responsible for the cost of maintenance, labor, and parts incurred subsequent to the expiration of the thirty-six (36) month lease.

14) LABOR AND PARTS: Lessor reserves the right at any time to increase the labor rate or make price adjustments to parts as a result of increases in the cost of said parts. Lessor agrees that in no event shall an increased price charged to Lessee be more than that charged to other parties. Discount provisions otherwise applicable shall continue in force even though the prices may be changed. Labor rate increases shall take effect after written notice to Lessee and shall apply to all services subsequently rendered.

15) SUBLEASE OR ASSIGNMENT: Neither the Lessor, nor the Lessee may assign this lease. Neither the Lessor nor the Lessee may affect the subleasing of the motorcycle.

16) TERMINATION: Either party may at any time during the term hereof, upon sixty (60) days written notice to the other party, terminate this Agreement with or without cause. Lessor shall be entitled to lease payments due or incurred up to the date of such termination or until the motorcycle(s) are returned.

17) ENTIRE AGREEMENT; AMENDMENTS: This Agreement constitutes the entire agreement between Lessor and Lessee, and all negotiations and oral understandings are merged herein. No modification, amendment or alteration in the terms or conditions of this Agreement shall be effective unless contained in a written document executed with the same formality as this Agreement and signed by each Party.

18) CONSENT TO JURISDICTION: The Parties submit to the jurisdiction of any Florida state or federal court in any action or proceeding arising out of, or relating to, this Agreement. Venue of any action to enforce this Agreement shall be in Miami-Dade County, Florida.

19) GOVERNING LAW: This Agreement shall be construed in accordance with, and governed by, the laws of the State of Florida.

20) HEADINGS: Headings are for convenience of reference only and shall not be considered in any interpretation of this Agreement.

21) SEVERABILITY: If any provision of this Agreement or the application thereof to any person or situation shall to any extent, be held invalid or unenforceable, the remainder of this Agreement, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable shall not be affected thereby, and shall continue in full force and effect, and be enforced to the fullest extent permitted by law.

22) WAIVER: The waiver by either Party of any failure on the part of the other Party to perform in accordance with any of the terms or conditions of this Agreement shall not be construed as a waiver of any future or continuing similar or dissimilar failure.

23) COSTS AND ATTORNEY'S FEES: If either Lessor or Lessee are required to enforce the terms of this Agreement by court proceedings or otherwise, whether or not formal legal action is required, the prevailing Party shall be entitled to recover from the other Party all such costs and expenses, including but not limited to, costs and reasonable attorney's fees.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

Police Motorcycle Warranty

Introducing a limited 3-year, 60,000-mile warranty

Harley-Davidson is committed to supporting our law enforcement officers. Since 1908 we have proudly manufactured Harley-Davidson® motorcycles for police departments across the U.S. Currently, more police officers ride Harley-Davidson bikes than any other brand of motorcycle.

Harley-Davidson will continue to stand behind our Police Program and are introducing a new standard warranty for Police duty models. All the Harley-Davidson Electra Glide® Police model (FLHTP), Harley-Davidson Road King® Police model (FLHP), and Police Sportster (XL883N) ordered for police use will now have a **limited 3-year, 60,000-mile warranty**.

Here are the warranty details for Police duty motorcycles:

- Harley-Davidson® warrants for any new Harley-Davidson® motorcycle that an authorized Harley-Davidson® dealer will repair or replace without charge any parts found under normal use to be defective in factory materials or workmanship.
- Such repair and replacement will be the sole obligation of Harley-Davidson® and the sole remedy for the owner under this limited warranty.
- The duration of this limited warranty is 36 months starting from the date of the initial retail purchase and/or delivery from an authorized Harley-Davidson® dealer OR 60,000 miles, whichever occurs FIRST.
- Warranty covers fender to fender repair coverage on all defects or malfunctions except normal wear items like brake pads, paint chips, and tires.
- The warranty will not apply when the motorcycle has not been operated or maintained as specified in the owner's manual or has been abused, misused or improperly stored.
- If the motorcycle has been used "off the highway" or used for racing or competition of any kind, the warranty will not apply. Installing components not manufactured to comply with the laws of the Market it is registered in may also void all or part of your new motorcycle warranty.
- For a complete explanation of the new vehicle warranty and other limitations, please consult your owner's manual or talk with one of our service consultants.
